

PRODUCT CATALOG

For nearly 50 years Beaver Research has been on the cutting edge of the specialty chemical field. Our success is based not only on our fine line of proven products, but also on our commitment to service, which has been a hallmark of Beaver Research Company since 1968.

Today, we understand that chemical product selection is about more than just getting the job done. We consistently help our customers achieve their goals in reducing labor costs associated with maintenance and cleaning, while at the same time responding to their safety concerns and their preference for environmentally responsible products. Additionally, we offer our help and resources to assist in regulatory compliance related to chemical use in the workplace.

This reference guide is a useful source of ideas that may help you in your facility, but does not replace the expertise of your local consultant. They can help you get the right product for the task the first time, and will guarantee results. The easiest way to simplify the chemical management for your facility is to simply...

Leave it to Beaver Research!!

Aircare/Deodorizers

BEA-JEL : Jelled Deodorant

Unique jelled deodorant designed to be used anywhere offensive odors exist. The clinging gel can be applied on horizontal, vertical, and irregular shaped surfaces. Slow releasing formulation provides fragrance for extended periods of time. Evaporates over time. Ideal on hard, non-porous surfaces such as trash receptacles, port-a-toilets, walls, behind toilets, and dumpsters. Light citrus scent.

PART #	SIZE	PACKING
120028	15 OZ	12/Case

BEANILLA DRY MIST : Deodorizer

Beanilla freshens areas such as laundry hampers, garbage pails, auto interiors, gym lockers, sports shoes, closets and many more. A specially formulated malodor counteractant. Light formulation travels with air flow and eliminates odors without wetness, staining or residue. A special two-way valve allows this product to be sprayed both right-side up or upside down. Meets all current VOC standards. Familiar vanilla fragrance.

PART #	SIZE	PACKING
120021	10 OZ	12/Case

CLEAN BREEZE : Deodorizer

A dry spray, air & fabric deodorant. A natural fragrance coupled with a fine mist aerosol odor counteractant. VOC compliant formula. Floating mist counteracts odors and is non-staining. Destroys odors such as smoke, decay, urine, solvent, gas, animal odors and more. Removes trapped odors without staining. Use on draperies, carpet and upholstery to freshen and deodorize.

PART #	SIZE	PACKING
120019	10 OZ	12/Case

CONTRO MIST : Metered Deodorizer

Designed for use in automated Contro Mist Dispenser system. Contro Mist alters and destroys such odors as smoke, decay, urine, feces, solvent, vomit, cooking odors and more. The metered valve delivers precise spray volumes in an ultra-fine mist to passively and effectively freshen rooms up to 6,000 cubic feet. Available in several different fragrances. 5.3 oz.

PART #	SCENT	PACKING
120403	Controlicious	12/Case
120402	Cucumber Melon	12/Case

WILD BERRY PATCH : Dry Deodorant

Wild Berry Patch Dry Air Freshener is a non-staining dry spray featuring a pleasant berry fragrance that leaves no residue. Dry-Type air freshener with excellent bloom and suspension time with ultra-fine particles. Fragrance ensures superior dual odor counteractants for maximum air deodorizing power. Quickly neutralizes malodors with industrial/institutional strength formulation.

PART #	SIZE	PACKING
120384	11 OZ	12/Case

ODOR BEA-GONE : After Fire Deodorizer

A safe and simple way to eliminate environmental malodors. Odor Bea Gone is not a masker, but rather a true deodorizer which effectively eliminates the source of the malodor. Odor Bea-Gone is non-toxic, non-corrosive, non-staining, non-discoloring and non-masking. Especially designed to eliminate fire and smoke odors.

PART #	SIZE	PACKING
120510	5 OZ	12/Case

CONTRO MIST DISPENSER

Programmable metered dispenser for Contro Mist aerosols. Dispenser can adjust and spray in intervals of 7.5/15/30 minutes to automatically freshen areas regularly affected by malodors such as restrooms, loading docks, trash compactor rooms, garbage transfer stations, as well as maintaining fresh smelling offices and lunch rooms.

PART #	STYLE	PACKING
430090	STD	1 Each
430100	DLX	1 Each

Automotive

AWAY : De-icer Spray

A fast-acting frost and ice remover specifically formulated to quickly dissolve ice, frost, and snow deposits. Fast acting, water rinseable, thaws frozen locks. Helps prevent freezing when applied in advance. Eliminates scraping and potential damage to glass. Works in any temperature on windows, headlights, windshields, locks, tires, sidewalks, steps, AC equipment, tail lights and hinges.

PART #	SIZE	PACKING
120085	12 OZ	12/Case

BEA-HIDE : Leather Cleaner & Conditioner

A special moderate foam cleaner and conditioner that cleans leather surfaces of grime, body oils, ink, lipstick, and more. Foam lifts out and holds dirt and grime in suspension until wiped away. Special additives protect surfaces from sun damage, cracking and fading. Mink oil restores body and luster to leather. Does not contain any silicones and leaves surfaces with a like new leather smell. For use on automotive interiors, trucks, vans, airplanes, brief cases, shoes, chairs, couches, sporting equipment and synthetic surfaces.

PART #	SIZE	PACKING
120555	15 OZ	12/Case

BEA-TAIL : Clear Acrylic Coating

A clear coating that works instantly. Fast and easy to use. Brightens and renews any vinyl or plastic surface. No wiping necessary. Fine aerosol mist is ideal for those hard-to-reach places. Bea-Tail applies a clear, non-foaming acrylic coating which provides a water-resistant gloss shine with a light fresh watermelon scent.

PART #	SIZE	PACKING
120560	12 OZ	12/Case

DEFENSIVE GUARD : Protectant

Convenient aerosol spray that protects and beautifies. A concentrated blend of poly and silicone which provides a tough protective film and buffs to a lustrous shine. The unique penetrating foam allows the product to soak deep into pores restoring color and protection beneath, as well as on the surface. Waterproof after application. Blocks ultra-violet rays. Inhibits cracking, fading and hardening of vinyl, leather & wood. Restores color. Foam holds on vertical surfaces. Excellent interior and exterior detail spray as well as low-luster tire dressing.

PART #	SIZE	PACKING
120080	14 OZ	12/Case

KLEEN CARB : Choke & Carb Cleaner

Cleans without disassembly. Dries quickly and leaves no residue. Quickly cleans and frees parts with carburetor in place eliminating expensive man hours for disassembly. Assures quicker starts and reduces gasoline consumption. Increases life of pistons, rings and cylinder walls. Cools automatic chokes for fast adjustment. Periodic use improves gas mileage, pep and overall engine performance.

PART #	SIZE	PACKING
120060	14 OZ	12/Case

Coatings

GRIT-ON : Slip Resistant Epoxy Coating

A slip-resistant, epoxy coating that cures to a hard, flat, textured finish. Designed for interior and exterior use on concrete, steel, wood, fiberglass, aluminum and other surfaces where a slip resistant finish is desired. Effective on steps, ramps, loading docks, ladders, running boards, showers, bathtubs, around machinery and anywhere water or slippery conditions exist. Available in black and clear. 12oz. can.

PART #	COLOR	PACKING
120163	Black	12/Case
120162	Clear	12/Case

KLEER KOTE : Flexible Protective Coating

Spray-on, clear, flexible, plastic-like protective coating for all flat or curved surfaces. Kleer Kote is designed for absolute protection from the elements. Protect and waterproof signs, electrical connections, inspection tags, tools, documents, boots and canvas. Protects from water, dirt and airborne particles and forms a protective dielectric seal on electrical connections.

PART #	SIZE	PACKING
120200	11 OZ	12/Case

CONVERTER RUST EXTERMINATOR : Rust Control

The quick and convenient way to treat rusted surfaces. This product chemically converts the rust to an inert black polymer based coating preventing future rust from forming. Eliminates the need for brushing, sandblasting or scraping before painting rusted surfaces. Once treated, surface may be left unpainted or may be painted for improved appearance and protection. Convenient spray can allows for quick, mess-free application. Combines a unique fast drying carrier with special rust converting agents and a strong polymeric coating.

PART #	SIZE	PACKING
120505	11 OZ	12/Case

PROTECTO FLEX : Metal Part Protector

Long-term corrosion preventative. A non-greasy, non-dirt collecting, non-tacky, dust retardant, continuous flexible film that will not crack or peel. Protects metals against atmospheric rust and corrosion, salt spray, high humidity, chemical fumes, abrasive matter, fingerprinting and fingerprint corrosion. Translucent for easy readable part numbers and identification codes. Easily removed with solvent.

PART #	SIZE	PACKING
120275	14 OZ	12/Case

SS-316 : Stainless Steel Coating

High temperature 316 grade stainless steel coating. Real stainless steel flakes bonded with a super durable polyurethane resin to produce an impenetrable satin finish coating. Highly resistant to chemical attack, severe weather, abrasion and corrosion. Brightens with age. Super tough and long-lasting indoors or outdoors.

PART #	SIZE	PACKING
120307	13 OZ	12/Case

FOUR COAT : Industrial MRO Paint

Four coat is an industrial grade MRO paint coating designed to save time and outlast cheap paints. The extreme body and pigmentation of this paint line means 4x coverage can be achieved in just one coat. Excellent for quick touch ups around the plant, or larger jobs in areas of high abuse. Four Coat paint will hold up where others fade, chip, scratch and dull. Use anywhere you want a professional looking finish coating. Available in Gloss Black, Machine Gray, Safety Yellow, and White. Save time and money by doing the job right the first time. 20 oz. can.

PART #	COLOR	PACKING
120605	White	12/Case
120610	Black	12/Case
120615	Dark Gray	12/Case
120620	Safety Yellow	12/Case
120625	Gray Primer	12/Case

Solvents & Degreasers

COIL SOLV : HVAC Coil Cleaner Solvent

Coil Solv offers maximum cleaning and degreasing from an aerosol coil cleaner. The high solvency formula quickly and easily liquefies dirt, grease, oil or other residue and deposits while the blasting nozzle powerfully separates the undesirable materials from the surface. Coil Solv can be used on most types of coils and is super-fast evaporating, requiring little or no wiping or post-use cleanup. The nonflammable, nonconductive formula is safe to use on or near live equipment while the pleasant lemon fragrance leaves a clean and fresh smell.

PART #	SIZE	PACKING
120457	18 OZ	12/Case

BEA COIL : HVAC Coil Cleaner

Super concentrate, alkaline-based (non-acid) coil cleaning formula. Features a delayed heavy foaming action. 100% biodegradable and phosphate free. Sprays through coils as a liquid and begins to foam heavily pushing contaminants and oxides to the surface to be rinsed away easily. Excellent for air conditioners, central cooling systems, refrigeration systems and auto air conditioners.

PART #	SIZE	PACKING
120456	18 OZ	12/Case

FAST BREAK : Rapid Flush Coil Cleaner

Fast breaking foam coil cleaner that quickly rinses and deodorizes evaporator coils in small air conditioners, HVAC cooling coils, and refrigeration equipment. Cleans away mold and mildew improving hygiene of cooling equipment. Fast Break utilizes a quaternary ammonia formula that reduces buildup on coils surfaces, restoring airflow and heat transfer, reducing head pressure and optimizes system capacity. Use for regular PM's to improve indoor air quality and breakdown and remove slime in condensate pans.

PART #	SIZE	PACKING
120640	19 OZ	12/Case

BIO-KLEEN : Foam Cleaner

All-purpose foam cleaner formulated with a natural orange citrus solvent that cleans and deodorizes most surfaces. Spray and wipe clean. Contains no chlorinated solvents, petroleum distillates or glycol ethers. 99% biodegradable and non-toxic. Can be used on washable, painted surfaces. Excellent for removing dirty hand prints, scuff marks, crayon, grease spots, soot and smoke film.

PART #	SIZE	PACKING
120375	19 OZ	12/Case

TOP GUN : Foaming Cleaner & Degreaser

Unique aerosol foam enables easy cleanup. Sprays as an engulfing heavy duty foam that clings to surfaces and provides extended cleaning contact time. Powerful, water soluble, grease dissolving agents and detergents provide instant "mega-forceful" cleaning actions. Unique "Foam Gun" Spray gets to hard-to-reach places. Ultra-fast, super powerful grease dissolving action, fresh citrus aroma, environmentally friendly and biodegradable.

PART #	SIZE	PACKING
120360	16 OZ	12/Case

BEAVER JUICE : Foaming Degreaser

By popular demand, our famous S-722 foaming degreaser in an aerosol. Convenient spray and wipe formula packs the same powerful punch as its bulk counterpart. Can be used to clean, degrease, and deodorize. Spray and wipe, blow foam off with air after soils are suspended, or rinse away with low pressure. Water-based, non-flammable, non-corrosive, biodegradable. Millions of bubbles lift grease and dirt and hold it in suspension for easy removal. Recommended for heavy-duty cleaning applications.

PART #	SIZE	PACKING
120722	19 OZ	12/Case

BPK-200 : Cleaner Degreaser

A high performance small situation parts cleaner and general purpose degreaser for removing grease from small parts, bearings, etc. Non-chlorinated, leaves no residue, dries fast and is safe on plastics. Widely used in automotive manufacturing applications. Not VOC compliant for retail use in all jurisdictions. Check with your local Beaver Research Chemical Consultant.

PART #	SIZE	PACKING
120440	14 OZ	12/Case

BPK-2K : Solvent/Degreaser

This highly concentrated solvent blend provides maximum performance in a degreaser without the use of ozone depleters or chlorinated solvents. Powerful blasting spray easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders and springs without disassembling the unit. Also includes extension tubes for hard-to-reach areas. Will not foul waste oil. This excellent, all-around metal parts cleaner is acceptable for both maintenance and manufacturing uses.

PART #	SIZE	PACKING
120444	14 OZ	12/Case

TAR GO : Asphalt Remover

Specially formulated to quickly remove asphalt binder and seal coat from equipment, and tools. Also removes many greases, adhesives, printing inks, rosins, ester and alkyd resins. Water rinseable.

PART #	SIZE	PACKING
120575	15 OZ	12/Case

Electronics Cleaning**AIR DUSTER : Moisture Free Duster**

Puts high-pressure precision dusting at your fingertips. Used extensively in photo, chemical, computer and electronic assembly, repair and manufacturing operations. Completely dry and abrasion free. Eliminates the possibility of blowing moisture into sensitive electronic parts. Pressurized with a non-flammable propellant to eliminate fire hazard.

PART #	SIZE	PACKING
120003	10 OZ	12/Case

FANTASTIC II : Safety Solvent

A non-flammable, non-conductive solvent degreaser for cleaning dirt, grease and grime from electrical contacts, motors, engine parts, bearings, tools, etc. without a residue. A quick drying, heavy duty cleaner and degreaser with a high volume spray to loosen dirt and grease and soil. Just spray to flush away soils. Use on diesel engines, air compressors, alternators and heavy duty equipment. May be used while equipment is energized. Not VOC compliant for retail use in all jurisdictions. Check with your local Beaver Research Chemical Consultant.

PART #	SIZE	PACKING
120150	20 OZ	12/Case

FANTASTIC II SCENTED : Safety Solvent

All the cleaning power of Fantastic II but with a lemon fresh scent. High solvency, high performance cleaning and degreasing formula that quickly and easily liquefies dirt, oil and other residue and deposits. Evaporates quickly and requires little or no wiping or post-use clean up. Non-flammable, non-conductive and is safe to use on or near energized electrical equipment. Light, pleasant, lemon fresh fragrance mitigates solvent odor.

PART #	SIZE	PACKING
120151	18 OZ	12/Case

ROYAL FLUSH : Solvent Degreaser

The advanced chemistry combines powerful degreasing action with low individual/environmental impact. A multi-purpose industrial cleaner, fast-evaporating, non-flammable product that can be used to remove grease, oil, dirt, and other deposits from virtually any metal equipment. Royal Flush can also be used on live electrical equipment. The product features a special dual action valve system which enables both a misting spray for broad area degreasing and a blasting spray for hard to reach areas. High solvency, fast drying, low odor and leaves no residue. Not VOC compliant for retail use in all jurisdictions. Check with your local Beaver Research Chemical Consultant.

PART #	SIZE	PACKING
120530	20 OZ	12/Case

BATTERY TERMINAL CLEANER : Battery Terminal

Cleans corrosion build-up around terminals, eliminates corrosion residues and provides a protective film. Neutralizes exterior battery acid. A thick performance indicating foam which clings to surfaces as neutralization and cleaning action occur. Assures maximum battery performance. Eliminates power leaks and prolongs battery life. Uses color performance indicator—turns red in presence of acid, turns yellow when acid is neutralized.

PART #	SIZE	PACKING
120010	19 OZ	12/Case

HI-P-PS : Electronics Cleaner

High Purity – Plastics Safe - Fast drying, precision cleaning solvent. Leaves no residue. Safe on most plastics. Effectively removes soil and contaminants from electronic components. For use on circuit breakers, electronic relays, switches, terminals and sensors, contacts, printed circuit boards and motor controls.

PART #	SIZE	PACKING
120180	13.5 OZ	12/Case

HI-TRONIC : Contact Cleaner

Electronic contact cleaner and degreaser. Highest purity solvents feature rapid evaporation, non-flammability. This non-corrosive aerosol spray contact and circuit board cleaner is formulated for removing oil, grease, condensation, dust and other matter from sensitive electronic parts with zero residue. Quick drying formula that is safe on most plastics.

PART #	SIZE	PACKING
120165	10 OZ	12/Case

ROYAL TRONIC : Contact Cleaner

An electrical contact cleaner & degreaser. Highest purity solvents, high dielectric strength, rapidly evaporating, non-flammable aerosol spray. Formulated for removing oil, grease, condensation, dust and other particles. Quick drying. Will not harm most plastics, paints or rubbers. Leaves no residue.

PART #	SIZE	PACKING
120700	14 OZ	12/Case

Cleaners & Polishes

BEA-TWEEN : Spot & Stain Remover

Quick application spray and blot for use between carpet extractions. This uniquely formulated product is a blend of effective dry and wet cleaning compounds and degreasers that quickly remove spots and stains caused by grease, oil, dirt, mud, salt, ketchup, coffee, alcoholic beverages, soft drinks, chocolate, urine, blood and vomit. Deodorizes with malodor counteractants as it penetrates and cleans, without leaving residue. Freshens and brightens as it restores nap and texture.

PART #	SIZE	PACKING
120025	18 OZ	12/Case

POP-UP : Wax & Gum Remover

Odorless aerosol spray that quickly makes chewing gum, putty, candle wax and other sticky substances easily removable without staining or chemical residue. Uses a quick-freezing action to harden gummy substances to be removed by chipping or scraping from surface. Use on chairs, carpet, furniture, curtains, floors, clothes and upholstery.

PART #	SIZE	PACKING
120496	7 OZ	12/Case

BEA-VISIBLE : Lens Restorer

Bea-Visible is an optical restoration cleaner that removes films, dirt, and UV damage from surfaces of many types of clear lens materials. Bea-Visible removes the everyday grime and environmental contaminants that reduce visibility. Restores optical clarity to sensitive plastic lenses as it removes yellowing, UV lines, acid rain spots, minor scratches from many clear and carbon plastics. Safely restores headlights and many other clear lens surfaces.

PART #	SIZE	PACKING
120580	3 OZ	12/Case

BEA-CHROME : Metal Polish

Metal polish & cleaner that restores bright metals to their natural beauty. Easy to apply and cleans rapidly requiring no hard rubbing. Leaves a protective coating that guards against oxidation and tarnishing. Contains cleaners and brighteners and shields against moisture, salt, acid, grease, and grime. No harsh solvents, acids, or alkalis, which makes it safe to use on all bright finished metals, such as stainless steel, aluminum, copper, brass, chrome and other finished metals.

PART #	SIZE	PACKING
120015	14 OZ	12/Case

INSTA-SHINE : No Wax Citrus Polish

A new generation dusting, cleaning and shining aerosol. Dusts, cleans and shines in one simple application. Quick breaking foam contains no silicones or wax thereby eliminating surface build-up. Just spray on, wipe clean and buff to remove dust and restore life and brilliance to almost any surface. Suitable for wood, laminate, metals, and many natural stone surfaces.

PART #	SIZE	PACKING
120450	18 OZ	12/Case

LAVISH : Stainless Steel Cleaner

This stainless steel cleaner and polish quickly removes spots, watermarks, fingerprints, grease, oil, and film. Gives metal a high luster while it cleans, preserves, and protects. Easy to use. Restores original brightness and can be used safely on all metals. Contains no acids or abrasives.

PART #	SIZE	PACKING
120240	14.5 OZ	12/Case

LEMON SHEEN : Furniture Polish

Specially formulated for use on fine furniture, Lemon Sheen contains natural Carnauba wax and lemon oil cold pressed from prime rinds. Cleans, beautifies, preserves and protects by restoring natural oils that dry out over time. Removes stains, smudges and fingerprints. Leaves a clean, bright, hard finish.

PART #	SIZE	PACKING
120245	17 OZ	12/Case

MICRO GUARD : Protective Coating

Protective cleaner and repellant coating for glass & plastics. Cleans as it protects. Clear, invisible, anti-fog, anti-static. Repels dirt, dust, salt, chemicals, smudges, and reduces wear and scratching. Makes treated glass and plastics easier and faster to clean. Effective indoors and outdoors. Improves illumination and visibility. Contains no abrasives, waxes or acids. Great for use on windows, mirrors, glass doors, steel lockers, acrylic, fiberglass, tile, leather and other surfaces.

PART #	SIZE	PACKING
120255	14 OZ	12/Case

SLIDE FREE PLUS : Polish

Slide-Free Plus reduces drag and preserves surfaces against wear. Easy to use aerosol polish buffs to a dry invisible coating. For use on beds of cutters, cutter knives, press cylinders, wrapping machines, table register boards, and gang stitchers. Allows stock to slide easily. Protects against rust on stored equipment. Fast and easy to apply and dries quickly.

PART #	SIZE	PACKING
120520	8 OZ	12/Case

KLEER VU : Foaming Glass Cleaner

Original Beaver classic for over 40 years! Unique foam glass cleaner that easily dissolves smudges, film, grime, bugs, etc. Just spray on and wipe off. Leaves no streaks, residue or haze. Surfaces stay cleaner longer. Gets glass squeaky clean and crystal clear and is pleasantly scented. For use on windows, mirrors, appliances, bathtubs, sinks, television screens and safe on other surfaces as well.

PART #	SIZE	PACKING
120225	24 OZ	12/Case

Disinfectants

INSTANT KLEEN : Spray & Wipe Germicidal Cleaner

A Beaver original classic for over 40 years. Water based foaming cleaner and germicide provides heavy duty cleaning and hospital grade disinfection on hard surfaces. Instant Kleen cleans and disinfects quickly and easily, even on vertical surfaces. Removes stains, rings and discolorations without abrasives and does not require rinsing on non-food surfaces. Pleasant fragrance leaves the surface deodorized.

PART #	SIZE	PACKING
120220	21.5 OZ	12/Case

DEO SAN ULTRA : Fogging Disinfectant

Excellent disinfectant, antimicrobial agent. Two-way deodorizer for use on pre-cleaned hard, non-porous surfaces. Used as a broad spectrum disinfectant and antimicrobial agent. For use in industrial, institutional, medical, residential, equipment, vehicles, hospitals, ambulances, offices, and more. Effective against MRSA, H5N1, HIV-1, TB and more.

PART #	SIZE	PACKING
120541	6 OZ	12/Case

BEA FECT : Disinfectant & Deodorizer

This powerful hospital disinfectant and deodorant acts quickly on germ-laden surfaces, such as toilet seats, telephones, refuse containers, etc. Disinfects 14 different organisms. Acts instantly and remains effective for long periods, destroying unpleasant odors. 16.5 oz. can.

PART #	SCENT	PACKING
120017	Citrus	12/Case
120018	Linen	12/Case

Greases/Lubricants

CNC PLUS : Chain & Cable Lube

Outstanding, multiple application chain & cable lubricant. Provides superior lubricity, protection, and longevity. Use on chains, cables, drive chains, conveyor chains, sprockets, wire ropes, and more. Water and acid resistant. Aerosol foaming system allows for precise control of material delivery with minimal overspray or splashing. Lubricates, conditions and reduces friction. Fortified with Moly and PTFE.

PART #	SIZE	PACKING
120485	12.5 OZ	12/Case

BEA SLIK : Food Grade Silicone

Silicone Release Agent. Heat-stable. Use as a lubricant, release agent, water repellent, protective coating, and polish. The dry silicone film is non-flammable, colorless, odorless, non-staining, and wax less. For food packaging and processing equipment.

PART #	SIZE	PACKING
120292	11 OZ	12/Case

BOLT BUSTER : Professional Penetrant

Loosens and penetrates rusted nuts and bolts. This moisture displacer is specifically designed to penetrate deeper and faster to free rusted and corroded parts. Saves production, maintenance, and repair time by protecting equipment with rust inhibitors.

PART #	SIZE	PACKING
120462	20 OZ	12/Case

BOLT BUSTER NC : Penetrant

Non-chlorinated penetrant to loosen nuts and bolts. Leaves a long-lasting lubricating film to defend against rust and corrosion. Penetrates around and into cracks, crevices, and threads with powerful capillary action. Leaves a long-lasting lubricating film to defend against rust and corrosion. Reduces friction and wear over a broad temperature range. Forceful jet spray to help provide rapid penetration through rust and corrosion to free frozen parts.

PART #	SIZE	PACKING
120463	20 OZ	12/Case

DOUBLE TAP : Cutting and Tapping Fluid

A heavy-duty cutting and tapping fluid oil utilizing the best of both natural and synthetic lubricants to provide maximum high pressure lubrication. Clinging foam will increase cutting rate without overheating tools. Extreme pressure additives, corrosion inhibitors, and foam regulation makes this ideal for cutting, tapping, boring, grinding, sawing, punching and more. Provides excellent cooling and corrosion protection.

PART #	SIZE	PACKING
120095	14 OZ	12/Case

DRY MOLY : High Temp Lubricant

An extreme condition, dry, friction-reducing lubricant and anti-seize coating. Withstands high temperatures and extreme pressures. Provides a dry film suited for use in dirty or dusty atmospheres. Burnishes into metal to provide long-term lubrication and protection. Inert to water, oil, alkalis and acids. For use in automobiles, shipyards, industrial plants, construction companies, and more.

PART #	SIZE	PACKING
120090	16 OZ	12/Case

BEA-PTFE : Dry Lubricant

An all-purpose dry lubricant and release agent. Chemically inert powder for low friction and excellent release characteristics. Non-staining, and no silicones. Reduces drag on woodworking equipment and cutting blades. Excellent for all dry-slide applications.

PART #	SIZE	PACKING
120030	11 OZ	12/Case

FOOD GRADE WHITE GREASE : Lubricant

A polymer structured grease with outstanding load carrying ability and superior high temperature resistance. Protects against rust, oxidation and wear and resists water and steam washout. Many industrial plant uses such as bakeries, bottlers, breweries, canneries and more. Meets requirements for the food and pharmaceutical industries.

PART #	SIZE	PACKING
120340	10 OZ	12/Case

GEAR PLATE : Open Gear Lubricant

Concentrated open gear lubricant. Withstands high friction and tooth pressure without displacement. Provides the characteristics for film forming, long-lasting, positive lubrication and rust protection. Use for outdoor construction work, cranes, hoists, cables and gears. Will maintain protective efficiency and adhere to surfaces even in a hot atmosphere or under water.

PART #	SIZE	PACKING
120270	18 OZ	12/Case

LITHIUM BASE WHITE GREASE : Lubricant

Non-chlorinated lithium-based, all-weather, multi-purpose, thick, non-staining, water-resistant grease. White color helps indicate lubricated areas and reduces staining. Penetrates like an oil, lubricates like a grease. Use in automotive, marine, industrial, home and office.

PART #	SIZE	PACKING
120350	12 OZ	12/Case

DEEP SIX : Graphite Lubricant

Deep Six forms a thin, quick-drying film that provides clean, long wearing lubrication and protection. Excellent pressure and temperature resistance. Formula requires little or no surface preparation and adheres to most substrates, while providing tack-free lubrication dirt won't stick to. Operating temperature of 850° F. Excellent for lubricating locks, tools, tracks, chains, hinges, slides and fittings. High temp applications such as oven parts, conveyors, die cast applications, as well as wire ropes and springs.

PART #	SIZE	PACKING
120650	12 OZ	12/Case

Greases/Lubricants

MASTERLUBE : 4-Way Lubricant

Masterlube is a water displacing and anti-corrosion spray lubricant. Penetrates along surfaces and into cracks to lubricate, prevent rust, loosen frozen parts and displace water. Loosens nuts and bolts. Non-conductive. Leaves a water displacing shield and a lubricating film to make everything run smoother. This 4-way penetrant and lube utilizes PTFE for better lubrication. One product does all.

PART #	SIZE	PACKING
120246	18 OZ	12/Case

MASTERLUBE NC : 4-Way Lubricant

All-purpose professional penetrant and lubricant. Rapidly penetrates through rust and corrosion. Displaces moisture from electrical parts. Prevents malfunction to electrical equipment exposed to high humidity. Assures free and easy movement of parts. Leaves a molecular protective film that seals out future rust, corrosion and harmful effects of moisture. Non-chlorinated and non-flammable. Use on motors, switches, plugs, electronic and electrical assemblies, parking and water meters, tools, appliances and more.

PART #	SIZE	PACKING
120470	16 OZ	12/Case

SAFETY LUBE : Food Processing Equipment Lubricant

Odorless and tasteless, yet it adds up to 80% more life to blades on choppers, dicers, slicers and food processing equipment. May also be used as a release agent on gaskets or seals of tank closures, and as an airline lubricant. H-1 approved for food contact.

PART #	SIZE	PACKING
120287	14 OZ	12/Case

SLICK : Teflon Lubricant

Teflon penetrating gel-lube. Transparent, high pressure lubricant with high adhesive strength. A combination of natural and synthetic lubrication agents with a high molecular weight polymer. Long-lasting. Withstands severe temperatures. Prevents sticking and freezing of rubber and metal. Prevents rust and corrosion and resists water washout. Applies as a thin penetrant and sets quickly to a clean tacky gel. Use on open gears, wire ropes, cables, chains, and sprockets.

PART #	SIZE	PACKING
120425	13 OZ	12/Case

SILICONE LUBE : Lubricant

Silicone Lube is a non-chlorinated, non-hexane, non-staining lubricant. Dries fast and safe on plastic. Prevents jamming and production slowdown on bottling lines. Can be used in the food packaging and processing industry with incidental food contact surfaces such as tables, conveyors, heat sealing, and slicing equipment.

PART #	SIZE	PACKING
120290	13 OZ	12/Case

RED SPRAY GREASE : Lubricant

Red Spray Grease is a lithium-based, temperature and pressure resistant grease. Sprays as a deep penetrating liquid that flows into areas which are difficult to lubricate. Will not wash away with water or steam. Withstands acid, salt spray and oxidation.

PART #	SIZE	PACKING
120280	11 OZ	12/Case

NO-GRAB : Anti-seize

Anti-Seize compound that protects all metal surfaces from exposures to corrosive atmosphere as well as extreme temperatures from -85°F to 2100°F. Extreme pressure lubricant and sealant that prevents galling, seizing and galvanic action. Protects against rust and corrosion. Will not wash off.

PART #	SIZE	PACKING
120001	12 OZ	12/Case
120002	8 OZ Brush Top	12/Case

SPEED : Air Tool Cleaner & Lube

Air tool cleaner and lubricant. Cleans, lubricates, reconditions, eliminates moisture, and prevents rust and corrosion. Extends the life of air tools. Removes calcium build-up from moisture in air lines. Dissolves sludge, dirt and dust accumulation. Lubricates and protects all moving parts. Restores original speed to all types of air tools. Use for cleaning and lubricating saws, sanders, polishers, jackhammers and more. Red dye indicates completion of cleaning process.

PART #	SIZE	PACKING
120005	12 OZ	12/Case

Pesticides/Herbicides

KNOCK OUT : Fogging Insect Killer

Fast knockdown of a wide spectrum of crawling and flying insect pests. Stronger killing activity than natural pyrethrins. The special blaster valve gives a billowing fog. Three to four seconds of spraying clears 1000 cubic feet. Light cherry fragrance. EPA registered.

PART #	SIZE	PACKING
120230	14 oz	12/Case

BEA-BOMB II : Total Release Fogger

Aerosol with locking release tab. Treats up to 6000 cubic feet (25' long, 24' wide, and 10' high). Kills fleas, ticks, houseflies, mosquitoes, cockroaches, spiders, centipedes, wasps, small flying moths, crickets and silverfish. Controls adult fleas and larvae for up to 4 weeks. For homes, apartments, basements, garages, kennels, etc.

PART #	SIZE	PACKING
120415	9 oz	12/Case

SLING SHOT : Wasp & Hornet Killer

A special cold solvent formula gives this product extra knock-down power and faster killing action on wasps and hornets. Powerful, non-conductive shotgun spray will shoot up to 20 feet. Kills entire nests. Dielectric breakdown 47,300 volts. Residual action will continue to kill wasps and hornets returning to nest after it has been saturated. Prevents nesting in treated areas. EPA registered.

PART #	SIZE	PACKING
120305	14 oz	12/Case

WIPE OUT : Crawling Insect Killer

A broad spectrum crawling insect killer that is highly effective against ants, bees, carpet beetles, centipedes, cockroaches, fleas, spiders and many other crawling insects. Dual insecticide formula provides quick knockdown as well as residual control up to 7 weeks. Dual action spray nozzle provides for crack and crevice stream spray as well as mist pattern for broader coverage. For household and commercial/industrial use in non-food areas. Kills hidden bugs. Cherry fragrance.

PART #	SIZE	PACKING
120430	15 oz	12/Case

BVK-94 : Weed Killer

Provides rapid knockdown and kills most weeds and unwanted vegetation which interferes with drainage, creates a fire hazard or causes unsightly appearance. Use around fence rows, parking lots, buildings, loading ramps, storage yards, tank farms, and industrial plant sites. Contains a soil sterilant which controls weeds up to one year. Can sprays upside down only.

PART #	SIZE	PACKING
120050	16.5 oz	12/Case

Miscellaneous

GERM BULLET : Foaming Anti-Bacterial Hand Sanitizer

CDC recommended alcohol based formula. Pleasant fresh fragrance and skin softening lotion make this product an ideal one step sanitizing lotion. Convenient packaging for easy use.

PART #	SIZE	PACKING
120550	7 oz	12/Case
290040	Dispenser	1 each

BEAVER KLEEN : Waterless Hand Cleaner

A sanitary, moisturizing, non-allergenic, foaming, waterless hand cleaner. Ideal for removing grease, dirt, lubricants, adhesives, tar, oil, and many other difficult soils with no need for water. Contains Lanolin and Aloe Vera to condition and restore moisture to skin. Eliminates rinsing and drying for convenience. Perfect for use by mechanics, painters, construction workers, plumbers, service technicians and anyone who needs to remove dirt and soil without water.

PART #	SIZE	PACKING
120301	14 oz	12/Case

SKIN SHIELD : Protective Coating

A foaming hand cream creating an invisible protective coating preventing irritation from oils, solvents and paints. Forms a barrier letting skin breathe and making hands easier to clean. Will not wash off when used around water. Adds skin moisturizing lotions as it protects. Extensively used by mechanics, plumbers, printers, plastic molders, tire and boat manufacturers.

PART #	SIZE	PACKING
120300	18 oz	12/Case

STATIC KILL : Anti-Static Spray

Anti-static spray that prevents static and reduces dust attraction. Safe to use on plastic surfaces and computer systems, reducing static electricity in and around computer and terminal areas. For use on all machinery parts, packaging machinery, as well as use on wool, nylon, and other synthetic rugs and carpets. Non-chlorinated and non-hexane.

PART #	SIZE	PACKING
120325	11 oz	12/Case

STICK UP : Heavy Duty Adhesive

A versatile, fast drying, heavy duty, all-purpose adhesive. Provides a strong bond to most substrates and is heat, moisture and water-resistant. Unique 3-way adjustable spray nozzle allowing width of the spray pattern with minimal overspray. For bonding paper, cloth, wood, metal, hose connections and fittings. Wide spectrum chemical resistance. High copper base. Eliminates hot spots.

PART #	SIZE	PACKING
120410	15.75 oz	12/Case

TAKE-OFF : Vandalism Mark Remover

A combination of solvents and fine powder produce a non-flammable spray for removing all kinds of vandalism from hard surfaces, such as glazed and unglazed tile, oil based painted surfaces, baked enamels and ceramics. Water rinsable clinging formula.

PART #	SIZE	PACKING
120330	15 oz	12/Case

NERVOUS TICK : Insect Repellent

Nervous Tick insect repellent repels mosquitoes, chiggers, ticks, deer flies, stable flies, black flies, gnats and fleas on exposed skin surfaces. Repels up to 8 hours. Repels mosquitoes that may carry diseases such as West Nile, or Zika viruses and encephalitis. Unique formula combines DEET with 2 synergists to increase effectiveness for ticks and biting flies.

PART #	SIZE	PACKING
120570	8 oz	12/Case

Delimers/Descalers/Metal Cleaners

BEA-LIME "GREEN" : Descaler/Delimer

Bea-Lime Green is a non-hazardous, biodegradable descaler and delimer. A safe acid replacement cleaner designed to dissolve carbonate deposits. Use on aluminum and stainless steel. Does not cause dissimilar metal plating. Passivates metals while cleaning. Uses an extremely aggressive buffer. A non-hazardous, non-corrosive, non-DOT regulated neutralizer paired with this unique specialty buffer is the ONLY formula that provides a full safety solution to acid cleaning. May be used at full concentration or diluted down to 25%.

PART #	SIZE	PACKING
110240	55 GL	1 Drum
110245	30 GL	1 Barrel
110250	20 GL	1 Drum
110255	5 GL	1 Pail
110260	1 GL	6/Case
110265	1 QT	12/Case

BEA-LIME "GREEN" FORMULA G : Descaler/Delimer

Bea-Lime Green Formula G is nearly identical acid replacement formula as Bea-Lime Green, only with added inhibitors for galvanized metal surfaces. Concentrated formula ships non-hazardous. Works like an acid with the safety of a dish soap.

PART #	SIZE	PACKING
110210	55 GL	1 Drum
110215	30 GL	1 Barrel
110220	20 GL	1 Drum
110225	5 GL	1 Pail
110230	1 GL	6/Case
110235	1 QT	12/Case

JACK HAMMER : Concentrate

Powerful, safe, easy to use acid replacement cleaning system. Replaces acid and acid blend products to take care of a large variety of cleaning and maintenance problems. A viscous liquid that clings to the surface, increases dwell time and allows for cleaning of slanted and vertical surfaces. Non-hazardous, non-corrosive and non-toxic. Also available in ready-to-use quarts.

PART #	SIZE	PACKING
110150	55 GL	1 Drum
110155	30 GL	1 Barrel
110160	20 GL	1 Drum
110165	5 GL	1 Pail
110175	1 GL	6/Case
110140	1 QT	12/Case

LIME GO GREEN : Lime & Scale Remover

Concentrated blend of phosphoric acid, emulsifiers, detergents, and wetting agents. Provides excellent cleaning for dishwashing machines, steam tables, all acid resistant porcelain, coffee urns, glassware, china, and plastic ware. Removes soap scum from shower stalls. Non-fuming. Loosens lime and calcium deposits and floats them away. Safe to use in interior or exterior food serving areas.

PART #	SIZE	PACKING
240022	55 GL	1 Drum
240021	30 GL	1 Barrel
240019	20 GL	1 Drum
240018	5 GL	1 Pail
240020	1 GL	6/Case
240017	1 QT	12/Case

LIME GONE RED : Delimer

A hydrochloric acid blended with wetting agents and inhibitors to help clean as well as protect metal parts from the acid. Used for dissolving lime, mineral and scale on hard surfaces such as machinery, water meters, and cement trucks. Also use for cleaning radiators, cooling systems and boilers.

PART #	SIZE	PACKING
240026	55 GL	1 Drum
240027	5 GL	1 Pail
240025	1 GL	6/Case

RC-39 : Heavy Duty Acid

High concentration hydrochloric acid used to remove hard water scale from hot water coils, steam cleaners and other heat exchange equipment. RC-39 contains inhibitors to prevent excessive corrosion on steel, copper, stainless steel and iron during descaling.

PART #	SIZE	PACKING
110072	30 GL	1 Barrel

SPECIAL ALUMINUM CLEANER : Cleaner & Brightener

Removes soil and corrosion from aluminum and stainless steel truck bodies, counter tops, panels, screens, doors, and window trim. Cleans and brightens in one step. Highly dilutable.

PART #	SIZE	PACKING
110080	55 GL	1 Drum
110082	5 GL	1 Pail

BEA 350-SS : Stainless Steel Cleaner & Descaler

BEA 350-SS is an acid-based cleaner. Removes soil and corrosion from aluminum and stainless steel truck bodies. Removes oxides, scale, and soils that accumulate in cooling coil fans in air conditioners and related equipment. Also, removes rust and soil from tools, machinery, heavy equipment, stainless steel or aluminum doors, counter tops, window trim, and all rusted and steel surfaces. Also prepares metal surfaces of iron, galvanized and steel for better paint adhesion.

PART #	SIZE	PACKING
600536 -JS70	55 GL	1 Drum
600542 -JS70	5 GL	1 Pail

N-705 : Acid Felt

N-705 Acid Felt cleaner is a stainless steel and tank cleaner that removes scale and lime. Originally developed for felt cleaning in paper mills, this phosphoric acid, detergent blend has gained wider spread usage in many other industrial cleaning applications where acid cleaning or phosphatizing is required.

PART #	SIZE	PACKING
110095	55 GL	1 Drum

Clean/Polish/Protect

ROCKET POLISH : Cleaner/Polish

All-purpose cleaner/polish/protectant. Rocket polish is safe on paint, chrome, glass, rubber trim, leather and vinyl. Restores natural finish to automobiles, boats, RV's, trucks, equipment, appliances and countertops. Excellent quick detailer for all automotive applications. Removes dust, light dirt, bugs, and fingerprints without streaking. Leaves surface cleaned and polished and protects from fingerprinting and re-soiling. Tutti-Fruity fragrance.

PART #	SIZE	PACKING
190030	55 GL	1 Drum
190032	30 GL	1 Barrel
190033	20 GL	1 Drum
190035	5 GL	1 Pail
190036	1 GL	6/Case
190040	1 QT	12/Case

KLEEN & GLOW : Cleaner/Polish

Car & truck wash that is foam-stabilized, with a balanced wetting agent and polish that ensures safe washing of automotive surfaces. Sudsing action cleans and polishes grease and oil films instantly and is safe to auto finishes and hands. Special free rinsing additives allow water to sheet off, carrying soil in suspension, and dry spot-free. Great product for hand, power spray, pressure and automatic systems.

PART #	SIZE	PACKING
190008	55 GL	1 Drum
190009	30 GL	1 Barrel
190012	20 GL	1 Drum
190010	5 GL	1 Pail
190011	1 GL	6/Case

ROADLIFTER : Fleet/Auto Wash

Roadlifter Fleet Wash utilizes an ultra safe and gentle cleaning chemistry to lift away road film without scrubbing. May be used for automatic or bucket washing, with pressure wash or pre-treat foam applications. Roadlifter is phosphate free, non-corrosive to skin and metals and removes general automotive soils with ease. Will not etch glass or aluminum as it easily removes bugs, and stubborn soils from painted surfaces. Safe on all vehicle surfaces.

PART #	SIZE	PACKING
190060	275 GL	1 Tote
190065	55 GL	1 Drum
190070	30 GL	1 Barrel
190075	20 GL	1 Drum
190080	5 GL	1 Pail
190085	1 GL	6/Case

ROAD WARRIOR : Truck Wash

A high foaming concentrated liquid truck and trailer wash that is tough on grime. Removes heavy soils from painted vehicle surfaces in one application. Contains a perfectly balanced blend of alkaline builders, detergents, water softeners and wetting agents. Rinses completely, leaving a film free surface. Can be diluted with water for an economical heavy duty cleaning. Removes road film, bug residue and exhaust deposits. For use in hot or cold pressure washers.

PART #	SIZE	PACKING
190019	275 GL	1 Tote
190029	55 GL	1 Drum
190028	30 GL	1 Barrel
190027	20 GL	1 Drum
190025	5 GL	1 Pail
190026	1 GL	6/Case

BEA GLO : Protectant

A protective shield that creates a barrier to stop cracking, dulling, hardening and fading of automotive surfaces. Helps maintain a long lasting appearance while guarding against ultraviolet rays, environmental conditions and everyday use. Penetrates plastic, rubber, vinyl, plexiglass, acrylic, leather, wood and painted surfaces giving new and longer life to surfaces. Bea Glo is waterproof and stain proof.

PART #	SIZE	PACKING
370056	55 GL	1 Drum
370057	30 GL	1 Barrel
370060	5 GL	1 Drum
370061	1 GL	1 Pail

SPIN DOCTOR : Tire Sealant

Spin Doctor is a tire sealant that helps maintain proper air pressure and extends the life of the tire up to 50%. Seals all forms of air loss. Up to ¼" tread punctures in all air filled tires. Up to ¾" in heavy ply industrial tires. Seals bead, rim & weather cracking leaks. One time application. Life-long tire protection. Will not harden, dry out or freeze like cheaper retail consumer products.

PART #	SIZE	PACKING
370530	275 GL	1 Tote
370535	55 GL	1 Drum
370550	5 GL	1 Pail

BUFFY POLISH : Brightwork Paste Polish

Beaver Buffy is a unique paste polish coupled with a soft non-scratching orbital buffing ball (designed for use with power drill. Restores any metal surface to original luster. Apply mirror finish to aluminum diamond plate, fuel tanks and automotive rims. Brass, copper, stainless steel, and plastic may be restored. An integral part of a complete automotive headlight restoration kit.

PART #	SIZE	PACKING
370075	2 LBS	1 Can

BEAVER BUFF BALL : Buffy Applicator

A soft, yellow cloth applicator to be used with a power drill to buff surfaces treated with Buffy polish. Available in mini or standard size Buff Ball, these polishing balls are non-scratching and do not overheat the surfaces being polished.

PART #	SIZE	PACKING
370080	1 Each	1 Each
370085	Mini	1 Each

Foaming Degreasers/Detergents

S-722 : Foaming Degreaser

Our famous foaming degreaser is water-soluble, non-flammable, non-corrosive and biodegradable. It is especially designed to safely accomplish heavy duty cleaning. S-722 is user-safe and environmentally biodegradable. Its unique foaming action puts millions of powerful bubbles to work on any type of surface. The foam adheres to vertical surfaces and allows the chemical to clean for you. You can actually see the powerful S-722 foam dissolve and loosen dirt and grime, and float it away. Soiled foam may be wiped, rinsed, or blown away with compressed air.

PART #	SIZE	PACKING
250250	275 GL	1 Tote
250245	55 GL	1 Drum
250248	30 GL	1 Barrel
250249	20 GL	1 Drum
250246	5 GL	1 Pail
250247	1 GL	6/Case

S-711 : Foaming Degreaser

A non-butyl, foaming, water-soluble, non-flammable cleaner designed for heavy-duty cleaning, S-711 is environmentally friendly. It has a unique foaming ability that allows the chemical to work for you by penetrating and loosening most soils for easy removal. Foam sticks to vertical surfaces, penetrating and floating away grease, grime, oil, dirt, soap residues, water minerals, proteins, and process wastes. For effective use on floors, walls, lawn equipment, lift trucks and more.

PART #	SIZE	PACKING
250239	275 GL	1 Tote
250240	55 GL	1 Drum
250241	30 GL	1 Barrel
250237	20 GL	1 Drum
250242	5 GL	1 Pail
250243	1 GL	6/Case

S-701 : Foaming Degreaser

S-701 is a foaming, non-flammable cleaner that is environmentally safe. Its unique foaming action put millions of powerful foaming bubbles to work on any type of surface. Foam sticks to vertical surfaces and lets the chemical work for you. The powerful foam dissolves and loosens dirt and grime and floats it away. This ready to use product may be used with any of our special foaming sprayers.

PART #	SIZE	PACKING
250222	275 GL	1 Tote
250223	55 GL	1 Drum
250224	30 GL	1 Barrel
250226	20 GL	1 Drum

250228	1 GL	6/Case
250221	1 QT	12/Case

SHAZZAM : Detergent

All-purpose cleaning concentrate. A pH balanced, fast-action concentrate that powerfully cleans oil and grease from any washable surface. Solution dissolves the grease base of soil permitting easy and fast removal. May be applied by machine, or manually by mopping. Economical – concentrate may be diluted to effective strength.

PART #	SIZE	PACKING
250283	275 GL	1 Tote
250285	55 GL	1 Drum
250288	30 GL	1 Barrel
250289	20 GL	1 Drum
250292	5 GL	1 Pail
250295	1 GL	6/Case
250297	1 QT	12/Case

SLAM : Citrus Detergent

New technology allows this cleaner to work better than high caustic, high pH cleaners. New surfactants enable Slam to completely penetrate and emulsify grease, oil, rubber marks, and dried soil leaving a film free surface. Slam was designed especially for automatic scrubbers, but is equally effective with hand mopping. Low foam, non-corrosive, and highly dilutable.

PART #	SIZE	PACKING
250309	275 GL	1 Tote
250310	55 GL	1 Drum
250311	30 GL	1 Barrel
250312	20 GL	1 Drum
250313	5 GL	1 Pail
250314	1 GL	6/Case

TURN-TO : Cleaner

Turn-To is a truly remarkable cleaner fortified with natural citrus cleaning power and Hydrogen Peroxide. This stable combination along with a specialized surfactant system quickly attacks the most stubborn soils and stains on virtually all surfaces not harmed by water alone. A perfect choice for cleaning ceramic tile, countertops or shower walls to remove mold and mildew. Helps to bring back the original new grout appearance with color safe oxygen bleaching. Turn-To also makes a great choice for general carpet spotting. Use it as a laundry pre-spotter on soiled clothes before laundering. Leaves no oily residue behind, and rinses freely with water. Butyl free, contains no caustic bleaching agents. Biodegradable and environmentally responsible.

PART #	SIZE	PACKING
250002	55 GL	1 Drum
250004	20 GL	1 Drum
250003	5 GL	1 Pail
250000	1 GL	4/Case

GB-915 : Degreaser

This product cleans by spontaneous emulsion and contains no butyls or toxic solvents. It is inhibited against attack on all metal surfaces and retards corrosion. GB-915 brightens weathered aluminum and cleans concrete floors, walls, and machinery of even the most difficult grease and soils. Low foam for auto scrubber use. Ideal for hand mopping.

PART #	SIZE	PACKING
250256	275 GL	1 Tote
250251	55 GL	1 Drum
250254	30 GL	1 Barrel
250255	20 GL	1 Drum
250252	5 GL	1 Pail
250253	1 GL	6/Case

GB-915 NC : Degreaser

Non-corrosive, lower pH version of GB-915. Spontaneous emulsion cleaner instantly emulsifies grease and oil. Contains no butyls or toxic solvents. Contains inhibitors to prevent rust and corrosion on metals.

PART #	SIZE	PACKING
250266	55 GL	1 Drum
250270	30 GL	1 Barrel
250269	20 GL	1 Drum
250267	5 GL	1 Pail

Foaming Degreasers/Detergents

BEA KLEEN : Foaming Cleaner

This proven "one-step" formulation is effective in water up to 400 ppm hardness in the presence of 5% serum contamination at 4 ounces per gallon. Bea Kleen will remove hard water deposits and lime soap build-ups when used as directed. For institutional and industrial use as a one-step cleaner and deodorizer.

PART #	SIZE	PACKING
200046	1 GL	6/Case

TOTAL KLEEN : Restroom Cleaner

A ready to use, heavy-duty multi-purpose cleaner designed for cleaning restrooms, showers, tubs and tiles. It removes soap scum, mineral deposits, mildew stains and light rust. It leaves cleaned surfaces sparkling clean. Thick clinging foam cleans many hard surfaces, including fiberglass, porcelain, stainless steel, chrome, melamine, ceramic and quarry tiles. Not for use on marble, polished aluminum surfaces, granite, terrazzo, natural stone, or Formica. Always rinse with water. Do not mix with bleach.

PART #	SIZE	PACKING
200090	1 QT	12/Case

GREASE GO : Heavy-Duty Detergent/Degreaser

Fireproof Degreaser for heavy duty cleaning. Grease Go is a fast, highly effective solution for the hard-to-handle cleaning jobs. This heavy-duty cleaner penetrates, emulsifies the heaviest grease, dirt, waxes, gum and oil into a solution for quick, easy rinsing. Takes care of every clean-up problem from garage to kitchen, industrial plant to service stations and machine shops. 100% fireproof.

PART #	SIZE	PACKING
250039	275 GL	1 Tote
250040	55 GL	1 Drum
250041	30 GL	1 Barrel
250042	20 GL	1 Drum
250045	5 GL	1 Pail
250050	1 GL	6/Case

GREASE GO WASH : Industrial Parts Wash Solution

Original Grease Go formula modified for use as industrial parts wash solution. Effective in all types of "pre" or "post" production parts wash systems. Grease Go Wash is fortified with extreme antifoam additives. Extremely durable under poor conditions with excellent longevity in bath life. Contains no silicone.

PART #	SIZE	PACKING
250034	55 GL	1 Drum

GREASE GO WASH RP : Industrial Parts Wash Solution

Original Grease Go Wash with further modifications to add extreme anti-corrosion package for extended RP. Eliminates additional production steps of adding RP post cleaning. This package can clean and leave effective RP behind in one easy process, thus saving time and money. Takes charge of every clean-up problem; from kitchen to garage, industrial plants to aviation facilities, machine shops and many others.

PART #	SIZE	PACKING
160078	55 GL	1 Drum
160081	20 GL	1 Drum
160082	5 GL	1 Pail

SHOPLIFTER AUTOSCRUB : Floor Care Cleaner

Shoplifter Autoscrub is a water-based floor cleaner. Micro-surfactants replace traditional solvents and hazardous caustic floor cleaning chemicals. Quickly removes grease, oils, carbon, ink, and other organic deposits. Does not contain phosphates, caustics, chlorinated solvents, glycol ethers and is environmentally responsible. No silicones to interfere with downstream coating or paint processes. Safe to use in both walk behind and riding floor scrubbers. Leaves no residue.

PART #	SIZE	PACKING
250705	275 GL	1 Tote
250710	55 GL	1 Drum
250715	30 GL	1 Barrel
250720	20 GL	1 Drum
250725	5 GL	1 Pail
250730	1 GL	6/Case

SHOPLIFTER PARTS WASH CONCENTRATE : Parts Washer

Shoplifter Parts Wash Cleaner replaces expensive and flammable solvents, and is designed for use in parts washer, soak, dip, immersion tanks, ultrasonic, pressure washer/power sprayer, and steam cleaning machines. Recommended 1:1 to 3:1 dilution. Will not corrode parts or irritate skin. Pleasant tangerine fragrance.

PART #	SIZE	PACKING

Foaming Degreasers/Detergents

PINK POWER : Cleaner

A fragrance free, perfectly pH balanced, color-toned concentrate that dissipates the greasy base of soil immediately by emulsification. Fast-action reduces the time needed to efficiently clean any washable surface. May be applied manually, by machine, or by damp-mopping. Easy to use and very economical.

PART #	SIZE	PACKING
250500	55 GL	1 Drum

CITRI-BLAST : Cleaner/Degreaser

Natural Citrus Cleaner Degreaser. Removes oil, dirt, gum, grease, and heavy soils. Safe for use on aluminum and glass. Simply apply, allow to penetrate soil then wipe or rinse off. Non-flammable & Non-corrosive. Product dilution ratios available.

PART #	SIZE	PACKING
210230	55 GL	1 Drum
210232	30 GL	1 Barrel
210234	20 GL	1 Drum
210235	5 GL	1 Pail
210240	1 GL	6/Case

J-ENVIRO FOAM : Cleaner/Degreaser

J-Enviro Foam is a heavy-duty foaming degreaser that is non-corrosive and phosphate free. Formulated to meet stringent waste water treatment requirements at some of the most advanced industrial facilities in the world. J-Envirofoam is able to clean and degrease the heaviest grease and oil deposits without fouling waste-water treatment systems. Recommended for use with Beaver's hand-pump or pneumatic power foamers.

PART #	SIZE	PACKING
210279	275 GL	1 Tote
210280	55 GL	1 Drum
210281	5 GL	1 Pail

PAN BRITE : Dishwashing

Liquid dishwashing concentrate that provides a sparkling clean finish on dishes and glassware. Gentle on hands. Specially formulated for thorough, efficient cleaning and is a superior detergent for all kitchen needs. Pleasant bouquet fragrance. Also can be used on fine fabrics leaving them clean and soft.

PART #	SIZE	PACKING
240042	5 GL	1 Pail
240041	1 GL	4/Case

BAKE OFF : Oven Cleaner

Bake Off is an effective, rapid decarbonant, and remover of baked-on fats, greases, proteins, and carbohydrate residue of animal and vegetable origins. Its unique formula allows the foam to cling to vertical surfaces for virtually unlimited contact time without dripping. This allows it to penetrate and loosen burnt-on soils so they can be wiped off and rinsed clean. In addition, Bake Off is economical, non-flammable, easy-to-use and does not emit any toxic fumes.

PART #	SIZE	PACKING
240050	32 oz	12/Case

SYNERGY : Detergent

A concentrated cleaner/degreaser for outstanding rubber mark removal. Cleans and degreases at mild pH levels while removing stubborn rubber burn marks. Is an emulsifying surfactant system that effectively cleans greasy, oily soils and rubber tire marks. Low foam properties allow it to be used with any mechanical cleaning device. Mild pH makes it safer to use.

PART #	SIZE	PACKING
250075	275 GL	1 Tote
250070	55 GL	1 Drum
250071	30 GL	1 Barrel
250072	20 GL	1 Drum
250073	5 GL	1 Pail
250074	1 GL	6/Case

CLEAN SOL PLUS : Dilutable Solvent

A natural citrus base product that is an excellent degreaser, declogger, and deodorizer. Easily emulsifies with water. Exhibits excellent degreasing action on solvent base spots and stains. Regular use will keep drains clean, deodorized and free flowing. Controls odor around sewage treatment plants, dumpsters and landfill areas while not affecting bacterial action. Quickly breaks down most adhesives for rapid removal.

PART #	SIZE	PACKING
250340	55 GL	1 Drum
250341	30 GL	1 Barrel
250342	20 GL	1 Drum
250343	5 GL	1 Pail
250344	1 GL	6/Case

SQUEEKY : Glass and Multi-Surface Cleaner

The perfect cleaning product for many surfaces. Quickly penetrates dust, smoke, grease and grime on all glass and window surfaces. Excellent for cleaning stainless steel, formica, plastic, porcelain, and chrome. Great for all hard surfaces. Non-streaking and non-smearing. Surfaces stay cleaner longer. Fortified with ammonia and several grease cutting solvents for extra cleaning power. Contains no abrasives. Dissolves smoke, grease, smudges, filth and quickly removes insects from windshields. Leaves no smears, smudges, or streaks.

PART #	SIZE	PACKING
390040	55 GL	1 Drum
390035	5 GL	1 Pail
390030	1 GL	6/Case
120445	1 QT	12/Case

DR. THIX : Decorative Surface Cleaner

Dr. Thix is a thixotropic spot-free glass, mirror, and surface cleaner with odor neutralizer. This streak-free, ready-to-use formula dissolves film, light to heavy soils, fingerprints, lipstick, bugs and much more. Ideal for glass, windshields, windows, mirrors and most other hard surfaces. ideal for vertical surface cleaning. it's a thicker cleaner that clings. Safe on most painted surfaces. Contains a pleasant odor neutralizer, formulated to kill malodors at their source.

PART #	SIZE	PACKING
390085	55 GL	1 Drum
390075	5 GL	1 Carboy
390080	1 QT	12/Case

TAR LIFTER : Ink/Tar Cleaner

Tar Lifter is an advanced aqueous cleaning solution, utilizing the latest advancements in surfactant technology. Formulated to be a concentrated, low VOC surfactant based ink and tar cleaner safe to use on a variety of substrates and in all maintenance and production applications. In addition to being non-corrosive, Tar Lifter utilizes corrosion inhibitors to provide in process rust protection. Tar Lifter will not corrode ferrous metals, does not contain any soy, caustics, chlorinated solvents or phosphates. Tar Lifter is also biodegradable, non-flammable, and non-toxic.

PART #	SIZE	PACKING
250735	275 GL	1 Tote
250740	55 GL	1 Drum
250745	30 GL	1 Barrel
250750	20 GL	1 Drum
250755	5 GL	1 Pail
250757	1 GL	6/Case

Solvents/Cleaners

TOOL GENIE : Tool Cleaner

Specialty tool cleaner formulated for the Tool & Die Industry. Low VOC, dries quickly, and residue free. Especially effective on all metal surfaces. Unique formula effectively lowers volatile organic compounds on the shop floor. Easily removes ink, paint marker, die bluing, grease and oil.

PART #	SIZE	PACKING
210144	55 GL	1 Drum

BIO SOLV CITRUS : Solvent Degreaser

This solvent-type degreaser, with terpene added for increased cleaning power and biodegradability, is excellent for cleaning of all ferrous and non-ferrous metals. It replaces the dangerous, highly volatile straight solvents and chlorinated solvents.

PART #	SIZE	PACKING
210130	55 GL	1 Drum
210129	30 GL	1 Barrel
210128	20 GL	1 Drum
210135	5 GL	1 Pail
210136	1 GL	6/Case

BPK-200 : Cleaner/Degreaser

A high performance small situation parts cleaner and general purpose degreaser for removing grease from parts, bearings, etc. Non-chlorinated, leaves no residue, dries fast, and is safe on all plastics. Widely used in automotive manufacturing applications. Not VOC compliant for retail use in all jurisdictions. Check with your local Beaver Research Chemical Consultant.

PART #	SIZE	PACKING
210165	55 GL	1 Drum

BPK-2K : Solvent/Degreaser

This highly concentrated solvent blend provides maximum performance in a degreaser without the use of ozone depleters or chlorinated solvents. May be applied with trigger sprayers, Sure Shots, or pump up solvent sprayers. Will not foul waste oil. This excellent, all-around metal parts cleaner is acceptable for both maintenance and manufacturing uses.

PART #	SIZE	PACKING
210150	55 GL	1 Drum
210145	5 GL	1 Pail

FANTASTIC II : Safety Solvent

This highly concentrated solvent blend provides maximum performance in a degreaser without the use of ozone depleters or chlorinated solvents. May be applied with trigger sprayers, Sure Shots, or pump up solvent sprayers. Will not foul waste oil. This excellent, all-around metal parts cleaner is acceptable for both maintenance and manufacturing uses.

PART #	SIZE	PACKING
210300	55 GL	1 Drum
210310	5 GL	1 Pail

TAR-GO : Asphalt Remover

Specially formulated to quickly remove asphalt binder and seal coat from equipment and tools. Also removes many greases, adhesives, printing inks, rosins, ester, and alkyd resins. Water rinsable.

PART #	SIZE	PACKING
600365	55 GL	1 Drum
600366	30 GL	1 Barrel
600367	20 GL	1 Drum
600368	5 GL	1 Pail
600369	1 GL	6/Case
600717	1 QT	12/Case

TERP-A-KLEEN : Organic Degreaser/Declogger/Deodorizer

Terp-A-Klean's 100% organic formulation represents a completely new approach to one-step degreasing and deodorizing. It is non-corrosive and contains no petroleum distillates, organic halides or alkalides. This multi-purpose formulation will strip grease and heavy oil deposits from virtually any surface. Exhibits excellent degreasing action on solvent base spots and stains. It will easily emulsify in water at ambient temperature to penetrate and liquefy many different types of resins, greases, and adhesives.

PART #	SIZE	PACKING
250355	55 GL	1 Drum
250360	30 GL	1 Barrel
250362	20 GL	1 Drum
250365	5 GL	1 Pail
250375	1 GL	6/Case
250370	1 QT	12/Case

Carpet

ZAPASTATIC : Carpet Static Eliminator

Eliminates static in a flash. Designed for non-porous surfaces. Solves static control problems related to the attraction of dirt, dust and bacteria to all surfaces, plastic products and product packaging. Can be applied as a spray, wipe, dip, or by transfer roller coating, or gravure coating. Effective in relative humidity below 15%. Effective in all office environments where office equipment is located.

PART #	SIZE	PACKING
370630	55 GL	1 Drum
370635	30 GL	1 Barrel
370640	20 GL	1 Drum
370645	5 GL	1 Pail
370655	1 QT	12/Case

ZAPASTATIC HEAVY DUTY : Carpet Static Protection

Heavy duty long-lasting static protection for up to several months. Designed for porous surfaces. Solves static control problems on all environmental surface, plastic products and product packaging. Used in highly sensitive electronic and EDP operations. Can be applied by spraying, wiping, dipping, or transfer roller coating or flexographic printing.

PART #	SIZE	PACKING
370600	55 GL	1 Drum
370605	30 GL	1 Barrel
370610	20 GL	1 Drum
370615	5 GL	1 Pail
370620	1 GL	6/Case
370625	1 QT	12/Case

X-TRACKED : Carpet Cleaner

A concentrated liquid compound composed of alkaline builders, penetrants, cleaning solvents and emulsifiers. Use in carpet steamer and for mop-on spray or spray pad applications. Use for spot cleaning or pre-cleaning traffic lanes. Low foam. Contains an optical brightener to make light carpets look brighter.

PART #	SIZE	PACKING
180038	5 GL	1 Pail
180040	1 GL	6/Case

DEFOAMER CONCENTRATE : Antifoam

This concentrated product may be used anywhere suds cause a problem. It quickly penetrates and breaks down bubbles in recirculating tanks, carpet extractors, floor scrubber tanks, and aqueous parts washers. No solvents, caustic, acids or fumes.

PART #	SIZE	PACKING
180025	1 GL	6/Case

Floor

TWIST-N-SHOUT : Pretreated Wipes

Multi-enzyme carpet spotter, deodorizer and protective wipe. Use for spills, spots and stains on carpets, fabric, rugs and mats. Easy application – place pretreated towel on stain and twist with foot. Shout for joy. Repeat.

PART #	SIZE	PACKING
180001	Container	6/Case

BLUE RENEW : Restorer

Floor finish cleaner and restorer. Non-film formula. Removes embedded soil and repairs scuffs, scratches and dull spots while eliminating powdering. Economical 2-ounce dilution designed for use through auto-scrubbers. Eliminates build-up, contains no wax or polymers. Slip resistant. Use on all resilient, stone and wood floors that are properly finished. Pleasant citrus fragrance.

PART #	SIZE	PACKING
260505	55 GL	1 Drum
260510	30 GL	1 Barrel
260515	20 GL	1 Drum
260520	5 GL	1 Pail
260525	1 GL	6/Case

BLUE DIAMOND : Floor Finish

High solids floor finish. Combines deep gloss, high durability with ease of-use into one product. High solids provide protection with fewer coats. Non-yellowing, low maintenance that offers excellent black mark and scuff resistance. Fast drying. Use on vinyl, rubber, linoleum, terrazzo and sealed concrete floors. Slip resistant.

PART #	SIZE	PACKING
260450	55 GL	1 Drum
260455	30 GL	1 Barrel
260460	20 GL	1 Drum
260465	5 GL	1 Pail
260470	1 GL	6/Case

BLUE MAGIC : Floor Cleaner

A non-filming, non-corrosive cleaner that has a pH of exactly 7.0. It emulsifies oils, grease, cutting oil and other forms of organic and inorganic soil. Blue Magic leaves no film or alkaline residue, making it ideal for damp mopping.

PART #	SIZE	PACKING
260332	275 GL	1 Tote
260330	55 GL	1 Drum
260336	30 GL	1 Barrel
260333	20 GL	1 Drum
260335	5 GL	1 Pail
260340	1 GL	6/Case
260334	1 QT	12/Case

BLUE BLAZES : Stripper

This is our most powerful professional strength stripper. It is designed to cut through heavy finish build-up quickly. Its low foam formula is perfect for application with auto scrubbers. Removes heavy build-up. Reduces machine scrubbing. Low odor, slow evaporation formula. Powerful enough to remove multiple layers, build-up or highly burnished finish. For use in cold or warm water.

PART #	SIZE	PACKING
260535	55 GL	1 Drum
260540	30 GL	1 Barrel
260550	5 GL	1 Pail
260555	1 GL	6/Case

STRIP EZE : Stripper

Strip Eze is a no rinse wax stripper. Safely removes floor waxes, acrylic, styrene, polymers, copolymers, metal crosslinked floor finishes and water-based urethane floor sealers. Heavy-duty cleaning that leaves no residue.

PART #	SIZE	PACKING
260270	1 GL	6/Case

Floor

BLUE STREAK : Stripper

Blue Streak professional strength stripper is a very powerful stripper. It's designed to cut through heavy finish buildup fast. The low foam formula is perfect for application with auto-scrubbers. Low odor, slow evaporation formula, high actives aggressive formula strips hard to remove finishes and seals.

PART #	SIZE	PACKING
260475	55 GL	1 Drum
260480	30 GL	1 Barrel
260485	20 GL	1 Drum
260490	5 GL	1 Pail
260495	1 GL	6/Case

SAFE STEP : Tile Cleaner

This product removes slippery grease and soapy build-up from quarry tile and concrete floors. It deep cleans by penetrating and reopening the pores of the floor. Restores grout to original look. May be used straight or diluted. Easy-to-use and economical.

PART #	SIZE	PACKING
260270	1 GL	6/Case

SUPER "A" : Floor Degreaser

Bacteria fortified floor cleaner and grease eliminator. Daily and restorative floor cleaner. Cleans and removes grease, oil and other soils. Cleans and restores grout. Concentrated formulation quickly attacks floor greases and oils. Surfactants and penetrating agents loosen and lift soils. Residual activity continuously attacks grease and oil in pores, cracks and crevices. Non-corrosive. Concentrated.

PART #	SIZE	PACKING
260400	55 GL	1 Drum
260405	30 GL	1 Barrel
260410	20 GL	1 Drum
260420	1 GL	6/Case

EPOXY RESURFACER : Floor Resurfacer

Epoxy Resurface is a 2-part crystal clear epoxy. High gloss, chemical and abrasion resistance. Self-leveling. Excellent resurfacer for damaged concrete. Contains no solvents to create shrinkage. No solvent odors or fire hazards. Excellent chemical resistance. Simple to mix and easy to use.

PART #	SIZE	PACKING
370065	1 GL Clear	6/Case
370066	1 GL Gray	6/Case

BASE CAMP PERMANENT SEALER : Sealer

Outstanding sealer for interior and exterior concrete. Excellent water resistance. Water based and non-flammable. Low sensitivity to amine-containing strippers. Approved for indoor and outdoor use. Versatile application method. Easy to apply. No mixing. Low odor. Fast dry. Enhances color of substrate. Non-Yellowing and UV resistant. Outstanding adhesion. Good durability inside and outside. Can be recoated after cleaning year after year, if desired. Outstanding chemical resistance to motor oil, bearing grease or transmission fluid. Road salt resistant.

PART #	SIZE	PACKING
260326	55 GL	1 Drum
260327	30 GL	1 Barrel
260328	20 GL	1 Drum
260329	5 GL	1 Pail
260331	1 GL	6/Case

SWEEPING COMPOUND : Oil Based

Sweeping Compound controls dust, keeping your equipment and workstations clean. Contains high moisture content to keep dust levels down and prevent inhalation. High-quality, dense oil base for use on cement or unwaxed floors. Made with pine wood shavings, oil and sand.

PART #	SIZE	PACKING
260195	100 LBS	1 Drum
260199	300 LBS	1 Drum

LOCK UP : Ultra Absorbent Powder

Ultra-absorbent for dangerous spills. This versatile absorbent is ideal for picking up and disposing of nearly any hazardous spill. Quickly picks up blood, vomit, urine, grease, paint, motor oil, anti-freeze, metal working fluids, hydraulic oils, and many more chemicals. Will not harm soil, cement, tile, asphalt, plants, animals or humans. Lock Up is dustless, lightweight, picks up all spills, low cost to use, and absorbs. 15 times more than clay based absorbents. Leaves floor dry in seconds. Will not release absorbed material.

PART #	SIZE	PACKING
260140	1 Bag	1 Each
260145	1 Pail	1 Each
260150	1 Barrel	1 Each
260155	1 GL	6/Case

DM-11 : Dust Mop & Dust Cloth Treatment

Used to increase dust attraction and dust retention of dry mops, dust cloths, etc. Mops and cloths to be treated should be lightly sprayed per directions on label and then allowed to cure for approximately 4 to 6 hours before use. This enables the liquid to spread evenly throughout the treated article, saturating it completely.

PART #	SIZE	PACKING
220002	55 GL	1 Drum
220005	30 GL	1 Barrel
220003	5 GL	1 Pail
220004	1 GL	6/Case

NON-SKID COATING : Non-Skid Coating

An integrated aggregate and single component enamel provides a durable, coarse non-skid surface. Non-chlorinated resin allows the non-skid coating to be applied to new and/or old concrete. Recommended for surfaces requiring a tough, work-safe surface. Excellent sure-footing even in wet areas such as stairways, loading docks, shower rooms, ramps and entryways. Indoor or outdoor use. Resistant to alkali, detergents, acids and cleaning solutions.

PART #	TYPE	SIZE	PACKING
370300	Gray	5 GL	1 Pail
370305	Gray	1 GL	4/Case
370310	Yellow	5 GL	1 Pail

HD NON-SKID COATING : Heavy Duty Non-Skid Coating

HD Non-Skid Safety Coating is a heavy-duty single-part enamel with integrated silica type grit. Provides a coarse, durable, safe non-slip surface. Designed to provide safe, sure footing on wet or sloped areas in warehouse facilities, indoor walkways, ramps, loading docks or where a non-slip surface is needed. This product is resistant to gasoline and oil, as well as hydraulic oils, grease, alcohol and many other chemicals.

PART #	TYPE	SIZE	PACKING
370314	Black	1 GL	4/Case

WATERBORNE 2-PART EPOXY : 2-Part Epoxy

This waterborne 2-part pigmented epoxy is pre-measured and formulated to provide a tough concrete seal and finish against chemical penetration and physical deterioration of existing concrete. Can be used on concrete floors and walls in factories, hospitals, nursing homes, commercial buildings, schools, and more. Versatility and ease of application make it usable on almost any concrete surface. Dries to high gloss. Cleans up with soap and water. Provides a tough coating that protects against dust, dirt, water, acid and alkali cleaners.

PART #	TYPE	SIZE	PACKING
370335	Gray	1 GL	4/Case
370330	Gray	5 GL	1 Pail
370345	Blue	1 GL	4/Case
370340	Blue	5 GL	1 Pail

370365	Clear	1 GL	4/Case
370370	Red	1 GL	4/Case

Silicone

BEAVER SEAL : Industrial Strength R.T.V. Silicone

Beaver Seal is ideal for use wherever a strong, permanently elastic weatherproof adhesive, sealant or caulk is needed. This product has excellent adhesion characteristics, high chemical resistance and will not sag or shrink due to severe temperature extremes. Available in clear, black (oxygen sensor safe), blue, white and red (high temp).

PART #	TYPE	PACKING
370002	Black	6/Box
370003	Blue	6/Box
370004	Red	6/Box
370005	White	6/Box
370006	Clear	6/Box

SILICONE CHUB : Silicone Caulk

Chubs Silicone Caulk is an all-purpose RTV silicone caulk for professional use. Beaver's Chubs are twice the size of conventional caulk tubes, saving time and money, while virtually eliminating wasteful packaging. The Beaver Chubs gun effortlessly dispenses consistent, professional beads with incredible speed. The Silicone White is the perfect choice for every day caulk applications, including doors, windows, kitchen and bath. Also suitable for general construction, HVAC, gutters, metal sidings, sheet metal, precast concrete forms, glazing and general industrial use. Silicone White can be applied to aluminum, ceramics, painted surfaces, glass, granite, marble, metals, wood, plastic, porcelain, PVC, etc.

PART #	TYPE	SIZE	PACKING
370660	White	20 OZ	10/Case
370665	Clear	20 OZ	10/Case
370685	Chub Gun	1 Each	1 Each

Non-Silicone

HYBRID CHUB : Sealant

Chubs Hybrid Sealant is a one-part elastomeric material with better performance characteristics than silicone or polyurethane. This Hybrid Sealant contains no solvents or isocyanates and is VOC compliant. Will not sag or flow in overhead applications. Excellent resistance to weathering, freeze-thaw cycles and chemicals. Hybrid Sealant is fast curing, paintable, and adheres to porous and non-porous materials. Will not shrink.

PART #	TYPE	SIZE	PACKING
370670	White	20 OZ	10/Case
370675	Gray	20 OZ	10/Case
370685	Chub Gun	1 Each	1 Each

BRUTE FORCE CHUB : Adhesive

Chubs Brute Force Fast Bond Adhesive is a hybrid adhesive featuring a fast fixture time and superior strength even before curing. Achieves 50 psi (3,000 lbs. /In ft.) strength. Bonds wet materials and flows at a wide temperature range. Chubs Brute Force will bond to most common building substrates and is excellent for RV roofing and floor panel installation, subfloor manufacturing, general construction and manufacturing assembly, countertops and many other fast bonding applications.

PART #	TYPE	SIZE	PACKING
370680		20 OZ	10/Case
370685	Chub Gun	1 Each	1 Each

S-722

See page 22

Ice Melt/Ice Control

BLIZZARD : Snow Plow Wax

Release agent for snow plows. Chemical additives incorporated for this product to increase the efficiency of snow removal equipment, by plating the blades with hard, diamond-like particles. Reduces friction of the snow and slush against the blade, and reduces the power required to remove a greater volume of snow and ice. Prevents piling, easily applied, protects against rust and corrosion.

PART #	SIZE	PACKING
400065	5 GL	1 Pail

ICE SICKLE : Liquid Ice Melting Compound

Liquid ice melting compound. Non-corrosive to stainless steel. Prevents refreeze for hours. Will not spoil or erode asphalt or concrete. Won't track into buildings or harm vegetation. Stretches the economy of rock salt. For use through a pressure sprayer or sprinkling can. Effective at temperatures as low as -30°F. Makes salt effective at lower temperatures, extending the melting time. Excellent pretreatment when overnight snowfall is expected.

PART #	SIZE	PACKING
400012	55 GL	1 Drum
400013	5 GL	1 Pail

MELT DOWN : Liquid Ice Melt

Liquid ice melt/anti-icing agent. Organic multi-chloride brine enhanced with a corn/carbohydrate additive which inhibits corrosion and increases overall melting ability. Allows salt/sand mixtures to adhere to the roadway. Corrosions of equipment is reduced by spraying Melt Down on impeller. 30% to 50% reduction of salt by pre-wetting. Non-staining and low odor.

PART #	SIZE	PACKING
400068	275 GL	1 Tote
400070	55 GL	1 Drum
400075	30 GL	1 Barrel
400080	20 GL	1 Drum
400085	5 GL	1 Pail
400090	1 GL	6/Case

MELT DOWN ST : Liquid Ice Melt

Melt Down ST is an organic liquid ice melt. When Melt Down ST is added to rock salt piles, it reduces the amount of salt consumption by as much as 30%. Accomplished by reducing bounce and scatter loss, keeping more salt on the road instead of the ditches and other wasteful locations. Keeps the stockpile free flowing, prevents freezing, crusting, or chunking of bulk salt. Non-corrosive residual that helps prevent black ice from forming. Inhibits corrosion and increases overall melting ability.

PART #	SIZE	PACKING
400095	275 GL	1 Tote
400100	4000 GL	1 Tote
400105	55 GL	1 Drum

SALT SHAKER : Ice Melt Rinse Aid

This industrial strength compound has been developed specifically to cut through the dulling, white chalky residue left by ice melting chemicals. Salt residue is chemically dissolved without harming painted or finished surfaces. Use after the final rinse when stripping or scrubbing. Effectively removes alkaline residue to ensure perfect bonding when applying new floor finish. Rinses away ice melt residue from snow removal equipment prior to seasonal layup. Can be used on all types of tile.

PART #	SIZE	PACKING
600913	55 GL	1 Drum
600793	30 GL	1 Barrel
600796	20 GL	1 Drum
600448	5 GL	1 Pail
600454	1 GL	6/Case

PELADOW : Liquid Ice Melting Compound

Peladow is a 90% calcium chloride ice melter that penetrates snow and ice up to 3 times faster than other products. Fast-acting ice melter at up to -25°F (-32°C). Ice melt releases heat to speed melting time and performs in a wider range of winter temperatures, even extreme cold. Pellets burrow through snow and ice and create a melting brine below for easy removal.

PART #	SIZE	PACKING
400008	50 LBS	1 Pail

WINTER GUARD : Ice Control

Polymerized ice control product. Non-corrosive to all metals. Effective at extremely low temperatures. Prevents re-freezing. Will not harm concrete or asphalt and will not attack rubber or synthetic belts. Leaves no white scum or residue. Does not harm vegetation. Use on railroad switches, coal belts, link-belts and any vertical or sloping surface. An ice repellent that will stick to any surface, preventing ice build-up or adherence. Free flowing liquid.

PART #	SIZE	PACKING
400040	55 GL	1 Drum
400045	5 GL	1 Pail

ICE BUSTER : Granular Ice Melter

A unique 4-way blend of tech grade calcium, magnesium, sodium chlorides and corrosion inhibitor. Melts to -15°F, creating safer surfaces and reducing slip and fall accidents. Triple-screened to provide a non-clumping dustless product. Anti-caking agents provide uniform spreading characteristics. Non-staining green vision indicator for application visibility. Environmentally safe to greenery and less binding to carpet fibers.

PART #	SIZE	PACKING
400025	50 LB Bag	49 Skid Only

Industrial Hand Cleaning

NUT SCRUB : Hand Cleaner

Beaver Nut Scrub is a premium heavy duty hand care formula designed to be the most effective hand cleaner ever produced. Protects skin from drying and painful cracking caused by solvent based hand soaps. Beaver Nut Scrub is solvent free, phosphate free, and is free of all dyes and perfumes. Contains 6 different skin conditioners and emollients, and natural cosmetic grade walnut shell scrubbers. Containing 75% less water than average hand cleaners, Beaver Nut Scrub is extremely concentrated and will reduce your hand cleaner usage dramatically. Contains PCMX antimicrobial agent, and rinses away residue-free. Your hands will get clean and feel great! Guaranteed!

PART #	SIZE	PACKING
290245	18 OZ	12/Case
290250	1 GL	6/Case
290255	3.55 Liter	4/Case
290265	Wall Dispenser	1 Each

KORN SCRUB : Hand Cleaner

Using the finest grade of natural scrubbers, pH balanced detergents and mild solvents, Korn Scrub gently removes the toughest, deeply embedded soils without damaging the skin. Natural oils and emollients condition and moisturize while an anti-bacterial agent offers personal protection. Contains no harsh ingredients or strong petroleum solvents. Dispenser sold separately.

PART #	SIZE	PACKING
290315	1 GL	6/Case
290333	Flat Top Dispenser	1 Each

TRIPLE CROWN HAND CLEANER : Hand Cleaner

Heavy duty detergents clean thoroughly. Rich lather and tiny, gentle scrubbers work together to dig out and float away tough soils. Solvent free — will not leave skin dry or irritated. Contains the antimicrobial ingredient PCMX. Enriched with skin conditioners Lanolin and Glycerin. Pleasant, clean fragrance and excellent sudsing action.

PART #	SIZE	PACKING
290220	1 Round Gallon	6/Case
290233	Flat Top Dispenser	1 Each

Disinfectant Cleaners

BRITE BLUE : Disinfectant Bowl Cleaner

This disinfectant cleaner is designed for hospital, general industrial and institutional use. It may be used to clean and disinfect toilet bowls, urinals, porcelain sinks, bathtubs, shower tile and ceramic tile floors. Its broad spectrum activity cleans, descales, deodorizes and disinfects in one easy step.

PART #	SIZE	PACKING
130045	1 QT	12/Case

SANI BEA : Toilet Bowl Cleaner

A thick, clinging porcelain and bowl cleaner. Removes stains and odors, lime, hard water deposits, uric acid salts and various discoloration. Lower concentration (7.5%) hydrochloric acid bowl cleaner combined with rich detergents and surfactants. Use on toilet bowls, stainless steel, and wash basins. Safe only on acid resistant surfaces. Sassy sassafras fragrance.

PART #	SIZE	PACKING
130026	1 QT	12/Case

SAF-T-BOWL : Organic Cleaner

Organic salts bowl cleaner. Works like an acid with the safety of a dish soap. This is a ready to clean acid replacement bowl cleaner. Highly effective at removing limestone, hard water deposits, rust, soap scum and salts from hard surfaces. Use to clean and deodorize toilet bowls, wash basins, bathtubs, shower stalls, drinking fountains and more. Clinging formula controls run-off and is non-corrosive to skin and steel.

PART #	SIZE	PACKING
130060	1 QT	12/Case

ENZY-BOL : Bio-Enzymatic Cleaner

Enzy-Bol contains select bacterial strains that break down uric acid deposits, stains and odors found in restrooms and urinals. Excellent cleaner in and around toilets, walls, stalls, floors and grout in restrooms. Non-corrosive. Safe for all metal surfaces. Residual bacterial action provides ongoing odor remediation. Ideal for waterless urinals and portable and vacuum toilets. Fresh fragrance.

PART #	SIZE	PACKING
130055	1 QT	12/Case

SUPREME : Instant Bowl Cleanser

A highly-concentrated hydrochloride acid emulsion bowl cleaner formulated to give maximum cleaning efficiency in removing rust, scale, urinary salts and soils from urinals and toilet bowls. Supreme Bowl Cleaner is the standard in the industry for removing stains quickly and dissolving heavy build ups. Leaves toilets and urinals looking new.

PART #	SIZE	PACKING

Specialty Coatings & Release Agents

PROTECTO FLEX : Metal Part Protector

Metal parts protector and long term corrosion preventative. A non-greasy, non-dirt collecting, non-tacky, dust retardant, flexible film that will not crack or peel. Protects metals against atmospheric rust and corrosion, salt spray, high humidity, chemical fumes, abrasive matter, fingerprinting and fingerprint corrosion. Translucent for easily readable part numbers and identification codes. Long lasting protection is easily removed with solvent.

PART #	SIZE	PACKING
120278	5 GL	1 Pail

BEA SAW COAT : Bed Lube

Saw bed lube for the wood manufacturing industry. Reduces friction on blades and saw beds for effortless machining of wood panels and components. Silicone free formula will not interfere with post production finishing processes. Dries residue free on machines and stock.

PART #	SIZE	PACKING
160080	55GL	1 Drum
160085	5 GL	1 Pail

RE-PEEL : Peelable Booth Coat

Re-Peel is a clear, odorless liquid that can be applied to nearly any non-porous surface to provide a protective barrier against graffiti or overspray. Once applied, Re-Peel dries to a clear film which protects against spray paint, marker, pen and other substances. Once defaced, the barrier is easily removed with no damage to the surface. The thickened formula adheres to vertical surfaces and is water-resistant, allowing for outdoor applications. Will not affect signs reflective properties, and will not yellow. Idea for use on enameled, powder coated, electroplated, and solid plastic surfaces, including signs, lockers, bathroom partitions, vending machines, doors, walls, windows, mirrors and surfaces that cannot be repainted if defaced.

200120	32 OZ	12/Case
200115	5 GL	1 Pail

Tubes/Bulk

CALTANIUM : Heavy Duty Grease

Caltanium grease is the highest performance extreme pressure grease available today. The calcium sulfonate complex thickener produces excellent water resistance and a wider operating temperature range. Uses a Super HD base oil formula containing multiple types of viscosity index improvers, increasing the body and tackiness properties. This premium base oil preparation process, coupled with EP and anti-wear additives, produces a high load carrying ability and reduces wear. Improves water resistance and adhesion. Features exceptional structural stability, excellent resistance to water and performance in the presence of water. Limited supply of calcium sulfonate makes this grease a unique offering not available from most large petrol companies.

PART #	SIZE	PACKING
270168	120 LB	1 Keg
270169	35 LB	1 Pail
270170	Tube	10/Case

CALTANIUM H1 : Food Grade Grease

A new generation H1 food grade grease designed specifically for lubrication of the most severe applications in the food industry. This grease is formulated with food grade over-based calcium sulfonate complex thickener and other permitted ingredients including anti-oxidants and extreme pressure and anti-wear additives to meet the most stringent requirements of the industry. This innovative grease out-performs all other food grade greases, including calcium base, clay base and even aluminum complex base greases.

PART #	SIZE	PACKING
270138	12 LB	1 Keg
270139	35 LB	1 Pail
270140	Tube	10/Case

MOLYCALTANIUM : Extreme Duty Grease

High performance extreme pressure grease. The calcium sulfonate complex thickener produces excellent water resistance and a wider operating temperature range. Uses a Super HD base oil formula. This results in amplified structural and thermal stability. The Super HD base oil also contains multiple types of viscosity index improvers, which increase the grease's body and tackiness properties. Fortified with 3% Molybdenum for extra protection against extremely heavy loads and extreme pressures. Excellent choice for any heavy duty industry or off road construction application that faces heavy loads and water washout. It also features exceptional structural stability, extremely effective high temperature performance.

PART #	SIZE	PACKING
270153	400 LB	1 Drum
270152	120 LB	1 Keg
270150	35 LB	1 Pail
270130	Tube	10/Case

BUCK TOOTH BEAVER SNOT : High Performance Grease

Buck Tooth Beaver Snot is high temperature, multi-purpose grease with specially engineered performance additives to provide superior EP and high temperature properties. The non-melting, inorganic bentonite clay thickener gives this grease excellent high temperature performance and a wider operating temperature range than most soap based greases. This grease is formulated with high quality, fully refined base stocks which provide natural oxidation stability. Beaver Snot is also fortified with high performance additives enabling the grease to withstand heavy impact and pounding pressures from heavy equipment while keeping the grease in place and not spattering out of the bearing or fitting.

PART #	SIZE	PACKING
270164	35 LB	1 Pail
270165	Tube	10/Case

BUCK TOOTH GRIZZLY RED : High Performance Grease

Buck Tooth Grizzly Red Grease is premium high temperature, multipurpose grease fortified with synthetic solid lubricant additives. The non-melting, inorganic bentonite clay thickener gives this grease excellent high temperature performance, and a wider operating temperature range than most soap based greases. High quality, fully refined base stocks provide natural oxidation stability. An advanced Super EP additive package fortifies this grease. The specialized additives provide a chemical barrier protecting lubricated parts against rust and corrosion. Excellent for high and low speed ball joints and roller bearings, couplings, linkages, universal joints, ball joints, and fifth wheels. Waterproof lubricant will not wash out even by boiling water or steam.

PART #	SIZE	PACKING
270174	400 LB	1 Drum
270176	120 LB	1 Keg
270175	35 LB	1 Pail
270125	Tube	10/Case

LUBRIPULSION : Grease

Synthetic lithium complex extreme pressure grease. Designed to operate over a wide temperature range, Lubripulsion has a dropping point of over +500 F, allowing it to perform in even the highest temperature environments. The grease uses a blend of high viscosity index base oils, providing exceptional performance in high speed and low temperature applications. Since it bleeds very light oil with an extremely low pour point, it is ideal for high speed bearings and any other application that needs to perform in a cold climate.

PART #	SIZE	PACKING
270143	400 LB	1 Drum
270144	35 LB	1 Pail
270145	Tube	10/Case

LITHIUM EP GREASE : Grease

Advanced technology lithium complex base grease resists thinning or hardening in service, which minimizes leakage and prolongs the service life. Excellent shear stability and pump ability over a broad temperature range. High drop point (500°F+) and stable base oil for prolonged high temperature operation. Anti-corrosion additives to protect against rust and corrosion. All temperatures for use at minus (-) 40°F.

PART #	SIZE	PACKING
270016	45 LB	1 Pail
270010	Tube	10/Case

SAFETY LUBE : Food Processing Equipment Lubricant

The total food equipment lubricant. Odorless and tasteless. It contains a lubricant that adds up to 80% more life to blades on choppers, dicers, slicers, and all food processing equipment. Convenient aerosol application for hard-to-reach areas. Greatly reduces motor load that shortens motor life. Use as a lubricant on equipment and machine parts in locations in which there is exposure of the lubricated part to edible products. Non-toxic, odorless, tasteless. Contains no silicones.

PART #	SIZE	PACKING
210320	5 GL	1 Pail

FOOD GRADE SILICONE : Lubricant

NSF Food Grade Silicone is a formulation of Food Grade Polydimethylsiloxane dispersed in a food grade isoparaffinic carrying agent. It is clear, colorless, odorless, and compatible with the majority of plastic, paper, paperboard, rubber, metal and wood surfaces. For use in food processing, food packaging, bottling, and canning applications. It is most widely applied via hand sprayer or power sprayer to impart a thin film of silicone on the surface.

PART #	SIZE	PACKING
600022-SB37	5 GL	1 Pail

MOUNT UP : Tire Mounting Lubricant

Water-based lubricant for mounting and dismounting tires. While Mount Up contains no soap or petroleum products, this thickened mounting formula stays put so tires adhere to rim while reducing friction and wear on tire changers. Aids in sealing tire bead without gumming up. Concentrated formula may be used as-is or diluted with up to 2 parts water for greater cost control.

PART #	SIZE	PACKING
600994	55 GL	1 Drum
600993	1 GL	4/Case

Roof/Asphalt – Cement

ASPHALT COLD PATCH : Patch Material

This is a ready to use, pre-mixed asphalt patching material that contains limestone aggregate and tenacious binding adhesives resulting in durable, permanent repairs. Use to repair both asphalt and concrete driveways, parking lots, access ramps, bridge decks, sidewalks, etc. Use it right from the pail or bag. Simply shovel it into the damaged area and compress with a tamper. Tire traffic finishes the compaction. Easy to use, no special tools, permanent and economical instant repair.

PART #	SIZE	PACKING
350000	5 GL	1 Pail
600050-ALL	50 LBS	56/Skid

BEA-KWIK : Emergency Roof Repair

A natural mineral roof repair compound that expands into a gel instantly when in contact with water to create a temporary leak-proof seal. Bea-Kwik can be spread in the pouring rain and will move through standing water to stop leaks in minutes. Non-polluting.

PART #	SIZE	PACKING
370105	25 LB	1 Pail

BEA-SURE : Wet/Dry Roof Cement

A heavy consistency, trowel applied mastic formulated with refined asphalts, special fillers, plasticizers and solvents. Formulated as an all-purpose repair cement, it contains special additives which provide excellent adhesion to damp substrates. It remains soft and pliable through all climactic conditions assuring a durable, weatherproof seal.

PART #	SIZE	PACKING
370111	1 GL	1 Each
370110	5 GL	1 Pail

POURABLE CRACK FILLER : Asphalt/Concrete

A smooth, uniform mixture of modified emulsified asphalt, clay and other selected fillers used to fill cracks up to ½" wide in asphalt or concrete pavements. Seals moisture out of cracks, preventing damage to pavement base. Prevents small cracks from becoming larger. Application requires no heating for application.

PART #	SIZE	PACKING
350015	5 GL	1 Pail

EPOXY PATCH KIT : Patch

This premeasured pour and mix epoxy patch is 400 times stronger than concrete. Cures fast with 15-20 minute pot life, open to traffic in 8 hours. Mix part A and B in original shipping pail, add aggregate to desired consistency. Resistant to acids, fumes, alkali, grease, oil, gasoline, and brine chemicals. Extremely effective for heavy traffic areas. Easy to apply. Light gray color.

PART #	SIZE	PACKING
370070	Dark Gray	1 Pail

Weed Killers/Insect Killers

BVK-94 : Weed Killer

Non-selective soil sterilant, BVK-94 works on contact and through root absorption. Use around fence rows, parking lots, buildings, loading ramps, storage yards, tank farms, industrial plant sites and similar areas for fast and long-lasting results. Controls weeds which interfere with drainage, create a fire hazard or cause unsightly appearance. Contains 2-4-D for immediate weed burn-down and Bromocil for root control and season-long residual control. 1-3 gal per 1,000 sq. ft., depending on weed height.

PART #	SIZE	PACKING
280340	55 GL	1 Drum
280350	5 GL	1 Pail
280355	1 GL	6/Case

Drain Openers

BLITZ : Drain Opener

Non-fuming, thermo-chemical drain line maintainer and opener, Blitz is a citrus scented pelletized drain opener that attacks the key sources of stopped or slow moving drains (hair, soap scum and slime) to restore full flow to the drain. Blitz is safe for septic systems, plastic and metal pipes.

PART #	SIZE	PACKING
380066	1.25 LB	12/Case

DRAIN-EZE : Drain Opener

Non-fuming liquid drain opener. Quickly removes grease, hair, lint, vegetable and other organic matter. Ideal for occupied buildings or rooms where typical drain opener odors are unacceptable. For use in sink, tub and floor drains.

PART #	SIZE	PACKING
380008	30 GL	1 Barrel
380007	1 GL	6/Case
380006	1 QT	12/Case

GERONIMO : Drain Opener

A concentrated virgin (clear) sulfuric acid with excellent inhibitors to protect metal pipes from acid action. Activates on contact with water to quickly dissolve blockages in sink drains, floor drains and toilets. Instantly dissolves grease, hair, cloth, fat, sludge and paper and soap residue.

PART #	SIZE	PACKING
380010	32 OZ	12/Case

Sewer Solvents

HP-88 : Sewer Solvent

Extreme duty – Highly active, dry, pelletized sewer solvent that dissolves tree roots, grease and most other blockages in sewer lines, parking lot drains and large floor drains. Controlled time release action generates tremendous heat and keeps HP-88 working longer on obstructions.

PART #	SIZE	PACKING
380045	60 LB	1 Each

BIO-SOLV CITRUS : Sewer Solvent

Fantastic drain line and grease trap degreaser/maintainer. Provides excellent odor control and cleaning around dumpsters, grease traps. Removes many difficult soils in general cleaning applications such as printer inks, tar, asphalt residue and resins. Citrus fragrance.

PART #	SIZE	PACKING
210130	55 GL	1 Drum
210129	30 GL	1 Barrel
210128	20 GL	1 Drum
210135	5 GL	1 Pail
210136	1 GL	6/Case

BIG RED FLOATING SOLVENT : Lift station Cleaner

Special blend of floating solvents that clean and deodorize sewer plant lift stations. Deep red dye provides visual indicator of treatment presence. Pleasant citrus fragrance blankets offensive odors below while the solvent action cleans and degreases the sides of the lift station as levels rise and fall. Maintains optimum efficiency of lift stations.

PART #	SIZE	PACKING
380001	55 GL	1 Drum
380004	30 GL	1 Barrel
380003	5 GL	1 Pail
380005	1 GL	6/Case

Enzymes/Bacteria

POWER BLOCK : Degrade/Digest

A super-concentrated enzyme package in a self-dissolving block, Power Block is formulated for fast and continuous removal of grease and organic material from grease traps, wet wells, lift stations, etc. Power Block will lower B.O.D. levels in effluent, reduce or eliminate grease trap odors, and save on costly cleaning of grease traps and drain lines. Power Block will work in hot or cold water. Available in different sizes for your application.

PART #	SIZE	PACKING
380070	8 OZ	8/Case
380075	2 LB	4/Case
380080	5 LB	4/Case

POWER-ZYME : Waste Digestant

Extremely durable and effective bacteria/enzyme blend designed to maintain free flowing drains, and drastically reduce grease trap pumping and BOD wastewater surcharges. This microbiological breakthrough allows the natural ability of bacteria/enzymes to digest and degrade waste, even in the presence of bleach, alkali, disinfectant, chlorine, and chlorinated dish wash. Heat resistant to 180° with fast replication means this product will continue to work when others won't.

PART #	SIZE	PACKING
380085	55 GL	1 Drum
380087	30 GL	1 Barrel
380088	20 GL	1 Drum
380090	5 GL	1 Pail
380091	1 GL	6/Case
380092	1 QT	12/Case

SAFE FLO : Drain Line Maintainer

Dual-purpose liquid with live bacteria that instantly controls odors and liquefies waste. Non-polluting, safe, non-acid and non-alkaline. An excellent drain maintainer that contains a potent blend of bacteria and enzymes. Effective sewer/septic additive and urinal maintenance tool, controlling odors and maintaining free flowing drain lines.

PART #	SIZE	PACKING
380042	275 GL	1 Tote
380041	55 GL	1 Drum
380038	30 GL	1 Barrel
380037	20 GL	1 Drum
380039	5 GL	1 Pail
380040	1 GL	6/Case

Paint/Graffiti

ECO-OFF : Graffiti Remover

Eco-Off is a cleaning agent designed to remove graffiti and overspray, gunk, and tar without damaging the underlying paint. Environmentally safe and easy to use. It is a clear and biodegradable liquid with low odor. Non-flammable. Recommended use for overspray removal from vehicles and spray booth lighting fixtures, scuff marks, removal of pen marks, lipstick, crayon, and felt markers. Removes adhesive tape residue.

PART #	SIZE	PACKING
370170	1 Pint	12/Case

ECO-STRIP : Paint Stripper

This Industrial paint stripper is a water-based paint/coating remover that effectively lifts epoxies, urethanes, lead-based coatings, and powder coatings. Recommended for use on nearly all substrates including steel, aluminum, concrete, masonry, wood or any area where worker safety or damage to equipment may be a concern. Non-flammable. Easy clean-up with soap and water.

PART #	SIZE	PACKING
370180	1 GL	4/Case
370185	5 GL	1 Pail

ECO-STRIP H.D. : Paint Stripper

Heavy-duty paint stripper. Environmentally friendly and powerful paint stripper. This formula is engineered to remove graffiti and most paints including tough industrial coatings, urethane, lacquer, varnish, alkyd and latex paints from wood, masonry, brick, steel, and aluminum. Non-hazardous, non-toxic, non-flammable. Low odor. Biodegradable. Water-based with easy clean-up. Breaks the bond between the coating and the substrate, lifting the paint off the surface. Paint chips can be easily removed by vacuuming, scraping or pressure washing.

PART #	SIZE	PACKING
370245	55 GL	1 Drum
370240	5 GL	1 Pail
